

AQAR of the IQAC

M.S RAMAIAH COLLEGE OF ARTS, SCIENCE AND COMMERCE

MSRIT POST, MSR Nagar, Bangalore – 560 054 Affiliated to Bangalore University,

Self Financing College

(Phone Number: 080-65239515, 23600966, 23608597)

Head of the Institution: Dr. Sakuntala Samuelson

Year of Report: 2010-2011

PART-A

ACTION PLAN OF THE INSTITUTION

Education is a process of continuous learning, including acquisition and improvement of scholarship, knowledge, culture and wisdom. The hallmarks of M S Ramaiah College of Arts, Science and Commerce are loyalty and whole hearted commitment to the mission of moulding, chiseling and completing the character of our youth. While excellence in academics is of paramount importance, the necessity to excel in sports, social service and other co-curricular activities is equally imperative.

In order to ensure this, a spectrum of activities is provided by the institution. In the beginning of the academic year the Principal calls for a general staff meeting to frame the committees which coordinates the academic and extra-curricular activities. These committees meet, consult and identify specific areas of improvement. The draft plan of action is placed before the general staff members for discussion and modification. The college IQAC Committee ensures that all the committees operates at its best and helps them in guiding all through their process.

Activities like Environment Awareness Programmes, National Cadet Corps, NSS, Student development programmes, Indian Youth Red Cross Wing, Cultural and academic fests, Women's day celebration, May day celebrations, community services, guest lectures, workshops, Hindi divas programmes, Kannada Rajyotsava Programmes were organized to significantly contribute to the formation of skills and leadership qualities in our students along with team spirit in their character development.

Internal Quality assurance cell, as per the guidelines of NAAC was framed to march towards excellence in the various fields like, curricular, co-curricular, extra curricular and sports activities of the college. The college activities are well conceived, planned and implemented through the help of following committees. The various committee perform their assigned

duty in a such a manner that the progress of the student community in every sphere like academics, acquiring life skills awareness to the needs of the community is ensured.

GOVERNING COUNCIL

Chairman – Dr. M R Jayaram
Member – Mr. M R Seetharam
Member – Mr. M R Ramaiah
Member – Mr. M R Kodandaram
Member – Mr. M R Janakiram
Member – Mr. Acharya
Member Secretary – Dr. Sakuntala Samuelson

PROSPECTUS COMMITTEE:

Mrs. Kanakavalli T E (Vice Principal of Sciences and HOD of Department of Physics & Electronics)
Ms. Sandhya (Department of Maths)
Ms. Radhika (Department of Journalism)

TIMETABLE COMMITTEE:

Mrs. Asha K K (HOD Department of Biotechnology and Genetics)

ADMISSION COMMITTEE: Principal, Two vice Principals, Manager (Academics).

CULTURAL COMMITTEE:

Mrs. Bharathi A L (Department of English)
Mrs. Ramya R (Department of Microbiology)
Ms. Sandhya (Department of Maths)
Mrs. Ramya B (Department of Biotechnology)
Mr. Manjunath (Department of Chemistry)

LIBRARY ADVISORY COMMITTEE: LIBRARIAN and HODs

DISCIPLINARY COMMITTEE:

Mr. Jayaram B S (Vice Principal and HOD of Department of Commerce)
Mrs Kanakavalli(Vice Principal and HOD of Department of Electronics)
Mr. Karunakara Reddy (HOD of Business Management)
Mr. Prasanna Kumar (HOD of Chemistry)
Mr. Chetan Kumar (Department of Microbiology)

IQAC COMMITTEE: Mrs. T.E. Kanakavalli,Dr. Kavitha,Mrs Alaknanda, Mrs.Ramya B, Mrs.Shilpa.

MAGAZINE COMMITTEE: Mrs.Padmaloohana, Mrs.Mahalakshamma, Mrs.Haripriya, Mrs. Reeja, Mrs. Shilpa, Ms. Sandhya. Ms.Radhika.

SPORTS COMMITTEE: Mr.Shobith, Mr.Suresh, Mr. Yogananda, Mr. Ravi, Mrs. Prathiba.

COUNSELLING COMMITTEE: Mrs. Jayashree and all proctors.

STOCK VERIFICATION COMMITTEE: All HODs.

INDIAN YOUTH RED CROSS COMMITTEE: Mrs. Dhanalakshmi, Mr Ramakrishna

NSS: Mr. Surendra.

PART B

1. Activities reflecting the goals and objectives of department:

To deliver Quality Education for the betterment of mankind is the goal of the college.

To have provided Quality Education, To have imparted life skills and values, To have trained in confidence building and decision making are the objectives of the college.

In tune with the above the Department of Arts has revived BA course.

The college has a good team of faculty who are well versed in their subjects. Their innovative teaching skills ensure quality education. Lots of activities like Group discussion , Presentation, guest lectures, workshops are organized to train the students and build their confidence.

Life skills and values are taught through various activities like cultural activities, sports meet etc. A lot of competitions that include group discussions, paper presentations, and seminars are held to train in confidence building and discussion making among students.

The college is determined in making it strong and has a vision to excel and scale to greater heights in the future in the direction of research and developing it as a center with potential for excellence.

The college conducts coaching classes for weak students to perform better and for bright students to excel and secure University rank.

By making students participate in events such as Independence Day/ Republic Day celebrations we make them aware of their rights and responsibilities as citizens of our nation.

2. New Academic Program initiated (UG and PG):

The Department of Arts has revived BA course after a gap of two years.

3. Innovations in Curricular design and transaction :

Curricular activities are designed as per the university norms.

In III Semester in the subject of Electronics of B.Sc, Digital Electronics and C programming are included. In IV Semester a paper on Communication is included in this academic year.

4. Inter Disciplinary Programs started:

The certificate courses on Clinical Biochemistry was conducted for UG students to incorporate analytical skills in their mind.

Computer lab facilities are extended to the Commerce students to help them to understand the use of computer application in Accounting field.

Conducted Value Based Course on Environment Management system for the MBA Students from Sept 2010-Nov 2010.

Computer fundamentals, Environmental studies and Indian Constitution are taught as compulsory subjects to all under graduate courses.

5. Examination reforms implemented:

OMR system has been introduced for examination and evaluation of theory and practical exams.

Theory exam marks:	60	or	Theory exam marks:	90
Practical exam marks:	30		Internal assessment marks:	10
Internal assessment marks:	10			
Total	:		100	

Manual filling of the examination applications is replaced by OMR filling system. The University proposes to conduct the odd semesters examinations by the college itself and evaluate the students performance and even semesters examination and evaluation will be done by the university.

Two internal assessment exams by the college per semester and final exam by the university are conducted per semester.

Bangalore University is Introduced the Multiple Choice Questions and answering in the OMR Sheets from the Academic Year July 2010 in a few subjects

6. Candidates qualified: NET / SLET / GATE etc.

Nil

7. Initiative towards Faculty development

Dr .H.S Ganesh Bhat gave an enlightening account on Techniques in teaching Higher Education on the 3rd of Jan 2011.

Mr. Gopukumar of UGC gave a talk on the grants available for the colleges for developments during the Staff Development Programme on 15th Jan 2011

Dr. SAKUNTALA SAMUELSON .

- Participated in the UGC Sponsored Symposium on “Chemistry for Sustainable development” held on 10th & 11th March, 2011 organized by Maharani Laxmi Ammanni College for Women, Bangalore.
- Participated in the Seminar “Role of Women in Society” organized by Indian Red Cross Society, Karnataka State Branch, Bangalore on 12.02.2011.

PRASANNA KUMAR. S.G

- Participated in the UGC Sponsored National Conference “Chemistry for Society and Industry” held on 05th March, 2011 organized by Jyothi Nivas College , Bangalore.
- Participated in the UGC Sponsored Symposium on “Chemistry for Sustainable development” held on 10th & 11th March, 2011 organized by Maharani Laxmi Ammanni College for Women, Bangalore.

MALINI M.R.

- Participated in the UGC Sponsored Symposium on “Chemistry for Sustainable development” held on 10th & 11th March, 2011 organized by Maharani Laxmi Ammanni College for Women, Bangalore.

MANJUNATH. A.M

- Participated in the UGC Sponsored Symposium on “Chemistry for Sustainable development” held on 10th & 11th March, 2011 organized by Maharani Laxmi Ammanni College for Women, Bangalore.
- Participated in the UGC Sponsored National Conference “Chemistry for Society and Industry” held on 05th March, 2011 organized by Jyothi Nivas College , Bangalore.

Dr. B.A KARUNAKARA REDDY

- Attended one day International Conference on “India Inc: Challenges and Opportunities” at DON BOSCO Institute of Bio Science and Management Studies on 3rd – 5th January 2011.
- Participated in XXXIII All India Accounting Conference, Kerala University, Kerala, on 13th and 14th November 2010
- Co-coordinated and Participated in one day State level Seminar on IFRS at Bangalore University, Bangalore on 10th October 2010.
- Participated in one day National Faculty development Program at Jain University, Bangalore on 18th September 2010.
- Attended the workshops for syllabus restructure of the BBM & B.Com., syllabus restructure.

Mr K.V. SURESH:

- Attended one day International Conference on “India Inc: Challenges and Opportunities” at DON BOSCO Institute of Bio Science and Management Studies on 3rd – 5th January 2011.
- Participated in one day State level Seminar on Corporate Frauds & Corporate Governance, Govt. RC College, on 12th December 2010.
- Participated in XXXIII All India Accounting Conference, Kerala University, Kerala, on 13th and 14th November 2010
- Participated in one day State level Seminar on IFRS at Bangalore University, Bangalore on 10th October 2010.

Mrs. DHANALAKSHMI.K

- Participated in one day State level Seminar on Corporate Frauds & Corporate Governance, Govt. RC College, Bangalore on 12th December 2010.
- Participated in one day State level Seminar on IFRS at Bangalore University, Bangalore on 10th October 2010.
- Participated in one day National Faculty development Program at Jain University, Bangalore on 18th September 2010.

- Participated in one day seminar on Role of women in society organized by Youth Red Cross Society, on 12th Feb 2011.

Mr ARAVINDA REDDY

Participated in one day State level Seminar on Corporate Frauds & Corporate Governance, Govt. RC College, Bangalore on 12th December 2010.

Participated in one day State level Seminar on IFRS at Bangalore University, Bangalore on 10th October 2010.

Mr. M.LAKSHMI PATHI NAIDU

- Attended one day International Conference on “India Inc: Challenges and Opportunities” at DON BOSCO Institute of Bio Science and Management Studies on 3rd – 5th January 2011.
- Participated in one day State level Seminar on Corporate Frauds & Corporate Governance, Govt. RC College Bangalore on 12th December 2010.
- Participated in XXXIII All India Accounting Conference, Kerala University, Kerala, on 13th and 14th November 2010
- Participated in one day State level Seminar on IFRS at Bangalore University, Bangalore on 10th October 2010.

Mrs. SAVITHA

- Participated in one day State level Seminar on Corporate Frauds & Corporate Governance, Govt. RC College, Bangalore on 12th December 2010.
- Participated in one day State level Seminar on IFRS at Bangalore University, Bangalore on 10th October 2010.
- Participated in Faculty development program held at MCIM, from 23rd and 24th August 2010.

RACHAN KUMAR

- Participated in one day State level Seminar on IFRS at Bangalore University, Bangalore on 10th October 2010.

Mrs. T.E. KANAKAVALLI, Mrs. J. NESA SUDHA and Mrs. ANNAPOORNA .G.A participated in the Faculty Development Programme organized by the college on 03/01/2011 and Seminar and Workshop organized by the Electronics Department on 8th and 9th February 2011.

Mrs.ANNAPOORNA.G.A

attended a Workshop organized by Microsoft at St. Claret College on 16/03/2011.

Mrs RAMYA.R

participated in Seminar and workshop on 15th & 16th Feb organised by Karnataka Science and Technology at Mysore.

Dr. SNEHALATHA L. & Mrs. PRAGATHI .D.

attended popular lecture series on 6th April 2011 related to Biotechnology in Health care at Jnana Bharathi Central College.

Student of Navkis educational centre were given assistance in projects related to microbiology.

RAMANI.D

Participated in One day State Level Seminar on “DIGITAL IMAGE PROCESSING” held on 1st September 2010 at Vijaya College Bangalore.

BHAGYASHREE SUTAR

Participated in 2 day State Level Seminar on “MOBILE COMPUTING – TRENDS AND FUTURE CHALLENGES” held on 1st and 2nd September 2010 at Mount Carmel college Bangalore

HARIPRIYAG.S

Participated in one day State Level Workshop on “MICROSOFT VISUAL C++ & VB.NET” held on 22nd September 2010 at St.Claret College Bangalore

REEJA JOSE

Participated in one day State Level Workshop on “MICROSOFT VISUAL C++ & VB.NET” held on 22nd September 2010 at St.Claret College Bangalore

Mr. SHIVAKUMAR .A (Librarian),

has taken the exam of PGDLAN (Post Graduate Diploma in Library Automation & Networking) from Hyderabad University and waiting for the result.

Mrs SOHINI GUPTA (MBA department)

attended the seminar on “ A Workshop on Financial Management” organized by M.S. Ramaiah Institute of Technology, MBA Department on Feb 28th 2011

8. Total Number of Seminars / workshops conducted:

State level workshop;

A two day Workshop on Microcontroller and Verilog was organized by the Department of Electronics on 8th and 9th February 2011. Forty five participants from various colleges were benefited by this Programme. The programme was organized in connection with Syllabus Revision of Bangalore University

Seminars and workshops within college:

Department of Arts in collaboration with Deccan herald conducted a work shop on Public Speaking skills on 31/03/2011.

Certificate course in clinical biochemistry was conducted for UG students from 23.08.2010 to 02.09.2010.

Organized a guest lecture on 04th Nov.2010 at MSRCASC Auditorium by Dr. V. Palani, Managing Director, Genewin Biotech-Plant Tissue Culture Unit, Hosur, Tamil Nadu. He spoke on “ Plant Tissue Culture Paving Way To New Bioproducts.” He has given lot of information about the technology used for mass propagation of elite and high yielding mother plants like grand nain (G-9) Banana.

Conducted a one day workshop on “Animal tissue culture” on 9th Nov.2010 which was organized by Probiosys, Bangalore. Dr. Sridhar delivered a talk on “Various aspects of animal tissue culture and its techniques”.

Organized TIME – Know your Career –for III- Sem BBM students on 22-7-2010

Organized Marketing Workshop –for I Sem BBM Students on 03-8-2010

Organized Guest Lecture – Atul Arora – III Sem and V Sem Students on 21-8-2010

Talks on various topics were arranged by the Electronics department for the students in February 2011. The speakers were Dr. H.M. Mahesh, Dr. J.T. Devaraju, both of the Department of Electronic Science, Bangalore University and Prof. Ramgopal of Instrumentation Department of IISc.

On 27th January 2011, Seminar Conducted on Awareness Program on Civil Service Examinations at MSRCASC for BCA students

Department of English conducted a One Day Workshop on communicative English.

Department of English in order to commemorate 150th birth anniversary of India's first Nobel Laureate, organized an inter collegiate fest, 'Remembering Tagore'

On 7th October 2010 , Seminar Conducted on Software Development Technology from CegonSoft Technologies Bangalore for BCA students

On 4th October 2010 , Seminar Conducted on SAP Technology from Global enterprise Infotech Solution Bangalore for BCA students

On 25th September 2010 Computer Science Department has Organized an Industrial Visit to Infosys BPO Ltd for the Final Year BCA Students

On 3rd Feb 2011 , Seminar Conducted on Front End tools from AmpleTechnology Bangalore for BCA students

On 27th January 2011, Seminar Conducted on Awareness Program on Civil Service Examinations at MSRCASC for BCA students

For MBA students the following were organized.

- Guest Lecture by Lt. General C R Sampath Kumar on 21-10-2010
- Guest Lecture by Mr. Prasanna on 1-10-2010
- Guest Lecture by Mrs.Sangeetha on 1-10-2010
- Adventure Learning program for students on 24-8-2010 [Final Year students] and 13-10-2010 [I year students]
- Guest Lecture by Mr. Saboo Joseph on 25-10-2010
- Workshop by Dr. John Manohar
- Conduct Business Research by students at Jewels of India , 20-26, Oct 2010
- Industrial visit for Infosys, Mysore on 20-11-2010
- Community Service 22-24, Nov 2010
- MBA & MSc Inter departmental fest 1-4 Nov, 2010

Celebration of National Science day 2011 from Feb 26th-28th Feb the theme being Climate change. Eminent personalities from IISc were invited to deliver a talk on the climate change and the present scenario.

A series of three guest lectures were arranged by the Microbiology department. One on 4th of Nov 2010 where Dr.C.Venkateshappa from Neurochemistry Department, NIMHANS spoke on "Dietary Polyphenols and their biological significance". Mrs. Bindu Sharma CEO, origin IPR solutions spoke on "Implications of IPR in life sciences" and "Plant Tissue Culture paving way to new bioproducts" was explained by Dr.V.Palani from Genewin Biotech Bangalore.

Library orientation had been given to newly admitted students for better use of library facilities.

9. Research Projects

Completed Projects:

Project title	Guiding faculty	Student involved
Extraction of anthraquinone from aloevera and study of antimicrobial activity	Dr. Manjurani	Archana.Manasa,Radhika, Madhavi pal
Extraction of oil from Jatropha seeds and study for analytical features and antimicrobial activity	Dr. Manjurani	Anoop,Vinay,Vinod,Ganesh

On-Going Projects:

Isolation and estimation of pencillin and aflatoxin and their effects on each other (invivo and invitro)	Dr. Veeraraghavan .V	Prajwal B.K. and Akshay B.A.
Study of Antimicrobial properties of Honey (Sources from different places)	Dr. Veeraraghavan .V	Rahul .N , Apoorva .M and Usha Rani .A

10. Patents generated, if any:

Nil

11. New collaborative research programmes:

UGC sponsored project “Studies of chemical properties stability of Jatropha Oil and means of preventing its oxidation”. Dr Manju Rani is the co investigator.

12. Research Grants received from various agencies:

Nil

13. Details of research scholars:

Mrs Radhika C.A of Journalism Department is doing research on Investigative Journalism in the field of Electronic Media proceeding towards PhD by Manasa Gangothri, Mysore University.

Jayashree D R., research scholar from Bangalore University, Bangalore. Title: “Effects of AM fungi association and yield on selected medicinal plants”.

Gurusiddesh, research scholar in Medical Genetics from Open International University for Complementary Medicine, Colombo, Srilanka. Title: “Hypoglycemic factor of Cassia fistula”.

Mr. Lakshmi Pathi Naidu, is pursuing PhD. in Commerce, at Sri Venkateswara University, Tirupathi, Andhra Pradesh.

.Smt. Padmaja M.R of Sanskrit Department is pursuing her PhD program.

Mrs. A.Prathiba V Kalburgi of Computer Department is pursuing PhD

Mrs. A.Malathi Palani of Computer Department is pursuing PhD

Mrs Reena Shyam and Mrs Geevarathna both from MBA Department are pursuing PhD from Bharathiar University

Mrs Pushpa.H has submitted final Phd Synopsis and is nearing completion of her Phd research work on “Bio Diversity in Basidiomycetes (Mushrooms) in and around Bengaluru”.

Mr.Chethan kumar K.V has submitted Phd thesis in Mangalore University on “Influence of AMF and PGPRM’s on growth of Sida cardifolia and S.nigrum”.

Mr.Babu T.P is working on his Phd topic “Taxonomy and Phylogeny of Apiaceae in South India”.

Dr Sakuntala Samuelson presented a paper on “Chemistry –for Clean Environment” and won 1st Prize in the symposium held on 10th & 11th March, 2011 organized by MLACW, Bangalore

The Department of Chemistry published a booklet on “Chemistry- Our Life, Our Feature” to commemorate the internal year of chemistry, 2011. Booklets were distributed to high school children, who visited the model exhibition organized during the celebration of National Science Day-2011 by MSRCASC

14.Citation index of faculty members and impact factor:

Prathiba V K posted question bank on Computer Architecture in the website multiply.com

A..Malathi Palani of Computers Department –paper “*Application of Neural Networks in Diagnosing Cancer Disease using Demographic Data*”,has been published in the International Journal of Computer Applications. (Authors: N. Ganesan -K. Venkatesh - M. A. Rama - A. Malathi Palani Journal: International Journal of Computer Applications Year: 2010 Vol: 1 Issue: 26 Pages/record No.: 76-85).

On 10th Nov 2010 , participated and presented a paper titled ‘Pre-clinical diagnosis of cancer disease using Fuzzy logic ‘, in the national conference on ‘*Futuristic Technologies in Computer science, Engineering and Applications* ‘, conducted by Oxford Engineering College, Bommanahalli, Bangalore. This paper has been selected as best paper in the Conference.

From 24th -27th Dec 2010 , participated and presented a paper titled ‘Medical Expert Systems – An Overview ‘, in the ‘*International conference on Computer Applications* ‘, conducted by Techno Forum Group ,at hotel Annamalai International , Poncherry. The paper has been published on the internet by Research publishing Services . [http :\\ www.rpsonline .com.sg /proceedings /9789810873042/index.html](http://www.rpsonline.com.sg/proceedings/9789810873042/index.html).

On 10th Feb 2011 , participated and presented a paper titled ‘Application of Neural Networks in diagnosing cancer disease ‘, in the *national conference on Emerging Issues in Computer Applications* ,conducted by KSR College of Engineering, Thiruchengode.

Bhagyashree Sutar of Computer Science Department Published a Textbook on VISUAL PROGRAMMING for BCA IV Semester Prescribed by Bangalore University

Mrs. Geevarathna presented a paper at the International Conference at R V College of Engineering on “ *Human Resource Training Practices for operational Excellence with special reference to branded gold retail stores* ” , 3-5 February 2011

Mrs . Geevarathna presented a paper at the International Conference at Don Bosco Institute of Management titled “ *Change Management and 24 Karat Business in India*” 3-5 January 2011

Mrs . Geevarathna presented a paper at the International Conference at BVIMR titled “ *Building a sustainable organization in changing business scenario through marketing strategies*”, Feb 19-20, 2011.

Mrs . Geevarathna presented a paper at National Conference by R V Institute of management on “*Ethical practices in marketing with special reference to branded gold jewellery organizations*”, Dec 9-10,2010

Mrs . Geevarathna along with team of 22 students from Final year MBA conducted Business research for Expoworld on Consumer behavior towards luxury products at 12 Jewels of India Exhibition , Sri Kanteerava Indoor Stadium during October 20-26, 2010

Reena Shyam presented a paper on Role of mobile Banking in India, An unexplored opportunity. National conference paraxima-2011 at St.Joseph institute of management Trichy.

She presented a paper on role of mobile technology in sustainability development New Delhi.

She presented a paper on globalization & emerging opportunities in telecommunication for India” at Mount carmel international conference.

Mrs Pushpa H.of Microbiology department (and Purushothama K. B. (2010))-published a paper . *Nutritional analysis of wild and cultivated edible medicinal mushrooms*, world journal of Dairy and food sciences, 5(2): 140-144.

Mrs Pushpa H. .of Microbiology department (and Purushothama K. B. (2010)) published a paper- *Antimicrobial activity of Lyophyllum decastes an edible wild Mushroom*, world Journal of Agriculture Sciences, 6(5): 506-509.

Mr.Chethan kumar K.V presented a poster entitled “Influence of Arbuscular Mycorrhizal fungi on growth of Vateria Indica L”, at M.S.I Madras on 8th & 9th Feb 2011.

15.Honors / awards to the faculty:

Prof. VNM Nair , Professor & Head , MBA, delivered a special lecture on “Business Ethics and Socail Responsibility” in one day National Level Seminar conducted by VOXPOPULI 2011- Association of Business Management at Srr Narayana Guru college

Dr B A Karunakar Reddy of BBM department was BOE member, B.Com., Examinations – 2010-11, Bangalore University, Bangalore.

He was General Secretary, Bangalore University Teachers Council of Commerce & Management.

He was Chief Examiner for V Sem B.Com., “Banking Theory and Practice”, Bangalore University Examinations Nov/Dec – 2010.

He Co-ordinated and Participated in one day State level Seminar on Corporate Frauds & Corporate Governance, Govt. RC College, Bangalore on 12th December 2010

Mrs. T E Kanakavalli underwent a six month Course on Embedded systems offered at IISc and secured grade-Excellent.

Mrs Kankavalli initiated and conducted a two day workshop on Microcontroller and Verilog programming in connection with the Bangalore University syllabus revision. The workshop benefitted 45 faculty from different colleges

Prathiba V K of Computer department :

Joint BOS of Computer Science & Applications, Electronic Media (UG & PG), Bangalore University.

BOS of Computer Science & Applications (UG & PG), Bangalore University.

BOE of Computer Science & Applications(UG) Jain University.

Question Paper Setter for MCA,BCA &BBM, Bangalore University CMR Autonomous and Jain University

Mr AravindaReddy was appointed Chief examiner for the BBM & MBA, Bangalore University Examinations Nov/Dec-2010

Mr. Aravinda Reddy was a Resource person for UGC academic staff college ,refresher course ,topic “Enterprise resource planning on 31st January 2011”

Mr Prasanna kumar Set a question paper for the semester examination of 1st sem B.Sc. course at CMR institute of management studies (Autonomous), Bangalore.

Dr Veera Raghavan was Appointed as a B.O.E. under M.Sc. level for the exam April/May 2011 by Mount Carmel College (Autonomous), Bangalore.

He Was Appointed as a judge for quiz programme organized by Reva College for the programme “Biozeneith-2010”.

16.Internal resources generated:

Deccan Herald newspaper's Scheme of students benefit was utilized by the students of Journalism department After their reading the old newspapers were sold and generated money out of it was donated as charity.

Rs.2000.00 (two thousand) generated from selling the old news papers (Jul-2010) from the general library and the same had been given to NSS for social work.

17. Details of departments getting SAP, CONSIST (ASSIST) / DST, FIST etc.
Nil

18. Community Services:

Students of BA and faculty members visited an orphanage for special children and provided their one day meal, and students interacted with special children and taught them drawing, painting, songs, dance etc.

Published a booklet on "Chemistry- Our Life, Our Feature" to commemorate the internal year of chemistry, 2011. Booklets were distributed to high school children, who visited the model exhibition organized during the celebration of National Science Day-2011 by MSRCASC.

BBM Department Celebrated green day celebration on 02/02/2011 at BBM block

The college Organized Blood Donation Camp through Lions Club and Youth Red Cross on 25/01/2011.

The Electronics Department extended financial helping in the form of donation. The fund generated this year was contributed to the Registered Organization "Save the Children".

Faculty members of Department of English distributed books, stationery and old clothes to poor school children.

Amount of 550 Rupees was donated by Maths Department to ISKCON Temple for community service.

The various departments help disadvantaged community students in issuing Department library books

19. Teachers and Officers newly recruited

Mrs. Aditi Arun Rao, M.Sc (Industrial Organizational Psychology) was appointed on 15/7/2010

Mrs. Radhika C.A, M.Sc (Electronic Media), was appointed on 15/7/2010

Ms Sharanya was recruited in the month of April , 2011 for Biotechnology department

Rachan Kumar and Sushma.N were appointed newly in the BBM department during the academic year 2010-11

Mrs. Annapoorna GA has been recruited as a lecturer for Electronics Department.

A Part-Time Lecturer Mr. Lepaksha was recruited to teach Optional English.

Prof.V.N. Madusudan Nair, Prof. Satish Gopinath and Ms. Sohini were appointed for the MBA Department.

.A part-time teaching staff, Mr. Abdul wajid is appointed since August for the Microbiology Department.

20. Teaching – Non Teaching Staff Ratio
5:3

21.Improvement in the Library Services

All the departments in collaboration with The Deccan Herald, Students are benefited by getting newspapers for the whole year. The newspaper also provides a space for the students to enhance their writing skills.

Computer and internet facilities are available for the staff. Journals are being constantly updated. Newspapers, magazines and books are adequately available.

Library services -News paper clipping service.

- Students' suggestions have been considered in the improvement of library collection.
- Career/Employment information services.
- Reservation of library books over E-mail or phone.
- Library orientation programme to freshers (students/staff)
- New arrivals display
- Service to Alumini

22. New Books / Journals subscribed and their cost:

Rs.3,73,832.00 (Three lakhs seventy three thousand eithy hundred and thirty two rupees) worth of books & periodicals have been ordered for purchase for Main Campus Library and Management Block Library in this academic year.

23. Courses in which student assessment of teachers is introduced and the action taken

on students feed back.

The process of Student assessment of teacher is continued this year also like the previous years.

Periodic assessment of lecturers by the students belonging to different classes is followed by the evaluation of the same by the HOD of the department. This is then brought to the notice to the head of the institution. Corrective measures were made known to the individual lecturers. A period of three months is given to the faculty to improve.

24. Unit Cost of Education

Considering all the courses provided by the college, the average unit cost of education is Rs 35000/-

25. Computerisation of administration and the process of admissions and examination results, issue of certificates:

Bangalore University has computerized the examination by the use of OMR Sheets.

Admission process to some extent and Examination process are computerized.

The library management process is maintained by computer systems by using very good library management software (LIBSOFT 9.8.0).

26. Increase in the infrastructural facilities

The BA course is a revived course in this academic year 2010-11. It is a newly established department with psychology lab, staff tables and computer with internet facility.

Two computers were added to the Electronics lab for the sake of Paper 3 Practicals.

Access to use OHP/ Overhead projectors are available for making multimedia presentations.

27. Technology upgradation

Psychology Lab consists of all required apparatus, materials and paper pencil tests which are necessary for the practicals prescribed by the Bangalore University. Equipments with upgraded technology have been introduced.

Seminar room and the main auditorium are upgraded with permanent fixation of the LCD projectors.

Internet broad band connection is installed in every department.

Computer department- Oracle 11i, dot net, J2EE, Dream weaver & Windows 7 have been installed, Eset Smart Security NOD 32 -100 users Licenced Antivirus Software Installed.

An autoclave is recently approved for purchase.

Internet connection has been taken for library building, and the available library software has been upgraded with the newer version from 9.5.0 to 9.8.0

28. Computer and internet access and training to teachers and students:

To browse necessary information, college has provided internet facility to every department.

All the teachers have access to computers, OHP and LCD projectors and other audio/visual aids.

Internet access facility is available for staff as well as students.

29. Financial aid to students

The management of the college gives concession to the financially backward section of students.

The Management gives concession to financially backward students in the college. Examples are Madhusudhan G of III year B.Sc. was given a fee concession of Rs.10,000/- (Rupees Ten Thousand Only). Srivani of I year B.Sc. was given a fee concession of Rs.8500/- (Rupees Eight Thousand Five Hundred Only).

Outstanding students in the field of sports and other activities are also provided with financial assistance by the management.

30. Support from the Alumni Association and its activities.

Every Year Alumni Association meet is held in the college,

MBA Alumni Meet was conducted on 11th December 2010.

Alumni Association Meet of all the other courses was conducted on 12th March 2011. Alumni association activities help current students to learn more about various prospects with respect to their choice of study, research and profession from the alumni. Much information has been gathered from the Alumni students. Some of them are working in reputed companies and some of them are pursuing higher education.

Alumni articles were published in the alumni magazine. Informations were collected from them about their higher studies or job. Suggestions from them were taken regarding securing suitable jobs and higher studies and passed on to the present final year students.

Alumni students support a needy student financially by paying the college fee.

31. Support from Parent teacher association and its activities:

Parent-teacher meetings are conducted from time to time. Communication. Letters regarding their attendance and internal marks are posted to the parents from time to time to keep them posted on their wards progress.

During regular visit to the college from the parents suggestions have been taken to improve the academic activities.

Parents meeting was also conducted during inauguration day as orientation

32. Health Services:

The college is fortunate to have two hospitals owned by the management at walkable distance. Health services are available for the students.

The students actively participate in the blood donation camps organized by Youth Red Cross and Lions Club.

Lions Blood Bank conducted Voluntary Blood Donation Camp on 25th Jan 2011

There are health schemes optional for the members on enrollment.

33. Performance in sports activities:

II sem B,Sc BT student, Sameer Ahmed, won 3 gold medals and 1 silver medal in national Karate Championship held at Muzaffarpur, Bihar, he also has been selected as a national referee.

Mohammed Nizam.K, VI Sem /marketing,Member Long Jump Team, Bangalore University.

Chandrashekar, a student of II B.Sc. secured 5th place in the state meet 800 meters running and 4th place in state meet Relay which was held at Mangalore from 3rd to 7th November 2010. He also participated in Football Tournament at Christ College in August, at St. John's college in September and at Bangalore University on 8th November 2010. He is the College Champion for the year 2010-2011.

Siddesh and Chethan R Kulkarni of III year B.Sc. played Cricket Matches in Bangalore University Tournament (Third round), Vijaya College Tournament (Second Round) and Sheshadripuram College Tournament (First Round).

Manas Nath of I year B Sc. Participated in the Basket ball Tournament organized by Christ University at St. John's College in September 2010.

Mrigen Rajbhonshi of I year B.Sc. Participated in the Foot Ball Tournament organized by Christ University at St. John's College in September 2010.

Manjula.R. Bhavya and Rajini (III year) Participated in Throw ball match organized by Christ University.

Rohit U, Commerce student got "CM Commanadation award "for NCC services in the month of Feb 2011

Aishwarya S Gobbani Commerce student attended CATC/TST camp at Doddaballapur held on 4th and 13th September 2010

The indoor games like chess, table tennis, shuttle badminton etc, was conducted in our college auditorium and outdoor games like Football, cricket, volleyball, basketball etc. were conducted at MSRIT ground.

On March 18th we had prize distribution ceremony and Lieutenant Col J.S Shekhawat commanding officer of 8KAR BN NCC Bangalore gave away the prizes to the winners. The overall championship for the best athlete among girls was awarded to Bhargavi N. VI Semester BBM and among boys was awarded to Chandrashekar.G.K, IV Sem Bsc.(Elec)

Electronics students:

- Rohini Prabhakar of III year B Sc. Participated in the 98th Indian Science Congress held at S.R.M. University, Chennai from 03/01/2011 to 07/01/2011.
- Madhusudhan.G and Sandeep Kumar secured III prize in Web Designing organized by Jyothi Nivas College on 24/02/2011.
- Swaroop Das won the prize in the competition for designing front cover of this year college Magazine.
- Swaroop Das (II year), Manjula .R, Bhavya and Rajini (III year) participated in Pencil sketching, Manjula .R (III year) and Mithun.U (II year) participated in Model presentation, Swaroop Das and Sudhakara Reddy (II year) participated in Poster Presentation and Gurunath Kumar and Kamal (II year), Raajesh..A and Karthik (I year) Participated in Quiz in the National Science Day Celebrations on topic “Climate change”.
- Swaroop Das, Pradeep Kumar, Sudhakara Reddy, Avinash Kumar, Gurunath and Kamal of (II year) B Sc. Participated in the Model Making Competition organized by Jain University on 09/09/2010. Same students participated in the competitions like Quiz, Dumb Charads, Puzzle, Lecture and Circuit Analysis organized by Christ University on 15/09/2010.
- Manas Nath and Mrigen Rajbhonshi took part in NCC Camp held at Doddaballapur from 24th September to 3rd October 2010 and from 5th October to 14th October 2010. They were also part of TSC – IGC NCC camp held at Bagalkote from 16th October to 24th October 2010.
- Raajesh A of I B.Sc has completed the ‘B’ certificate exam in AIR WING NCC.
- Outgoing students who have excelled in various subjects are given prizes. Students who have scored 100% marks and gold medalists were also given awards and honors.

BCA Students in Various Events

- Vinutha Kini H participated at the debate held on 21st February 2011 organized by Sir C V Raman Inter Collegiate English Debate Competition 2011
- Vinutha Kini of II year BCA had won I place in Essay Writing event held on 13th August 2010 organized by Computer Science Department.
- Surabhi of I year BCA had won II place in Mehendi event held on 13th August 2010 organized by Computer Science Department.
- Dalip Singh Presented a Paper (CASE STUDY) on Mobile Technolgh and Youth , a State Level Seminar Organized by Mounte Carmel College.
- Samprita Presented a Paper (CASE STUDY) on Mobile Technolgh and Youth , a State Level Seminar Organized by Mounte Carmel College.
- Manpreet Singh of II year BCA had won I place in Face Painting event held on 13th August 2010 organized by Computer Science Department.
- Sindu Achar of I year BCA had won II place in Tatto Making event held on 13th August 2010 organized by Computer Science Department.
- Dalip Singh of II year BCA had won I place in PPT Presentation held on 13th August 2010 organized by Computer Science Department.
- Sampritha S of I year BCA had won II place in PPT Presentation held on 13th August 2010 organized by Computer Science Department.
- Nikita V.K of I year BCA had won I place in Disk Art held on 13th August 2010 organized by Computer Science Department.
- Abhijit Gorai,Krity Nandan Chanda ,Sudheendra V,Mark Peter D'Costa ,Tanuja Saxena has Participated in the State Level Workshop on Microsoft Visual C++ & VB.NET on 22nd September 2010 organized by St.Claret College
- Priyanka Arora of II year BCA Participated as Volunteer in Inter Class Fest event held on 13th August 2010 organized by Computer Scirnce Department.
- Priyanka Arora of II year BCA Participated in Antakshari and won 3rd Prize organized by Hindi Department.
- Priyanka Arora of II year BCA awarded Consolation prize in French Conducted by MSRCASC
- Saket Kumar,Dalip Singh,Yashwanth, of II year BCA Participated as Volunteer in National Science Day 2011 held on 25th,26th,28th Feb 2011 organized by M.S.Ramaiah College of Arts, Science and Commerce.

Life sciences Students activities

- Shashi Bhushan Pandey, Paramita Saha & Nahid Ansari won 1st prize in Quiz at “National Symposium” organized by REVA Institute on March 19, 2010.
- Swati Hegde, Rahul Biswas won 1st prize in Debate at “National Symposium” organized by REVA Institute on March 19, 2010.
- Shashi Bhushan Pandey, Huoidram Birendra Kumar, II M.Sc BT, won the 1st prize at the national symposium at Medikere organized by Mangalore university and achieved “Young Scientist Award”, 10th April 2010
- Ranit Ghosh has been selected for a 6 months Training at the Department of Molecular Reproduction, Development and Genetics (MRDG) at Indian Institute of Science, Bangalore.
- Lata G. & Divya Laxmi are currently enrolled in a research project on “Secondary metabolite extraction and Isolation of Noble anticancer drug from *Tinospora cordifolia* at SanGenomics. (Success at 1st level, further work is on process)
- Lata.G and Divya Laxmi of II M.Sc BT won the 1st prize for paper presentation on “Secondary Metabolite Extraction & Isolation from *Tinospora cordifolia*- For development of a novel anti cancerous drug” at national conference on “Molecular Medicine & Nanobiotechnology organized by the Bangalore University in collaboration with the Indian institute of science, 16th Sept. 2010.
- Ranit Ghosh, Anirban Guha of II M.Sc BT won the 2nd prize for paper presentation on “Biofuel Generation from Microalgae- an economic leap towards globalization, at national conference on “Molecular Medicine & Nanobiotechnology” organized by the Bangalore University in collaboration with the Indian Institute of Science, 16th Sept. 2010.
- Anirban Guha won 1st prize in Poster Presentation on “Enhancement of Alcoholic Fermentation using antidiabetic drugs and bioprotease”, in the National Conference organized by Brindavan college on Fermented food
- Ranit Ghosh won 2nd prize for oral presentation on “Ethnomedicine & Modern Drugs” on November 2, 2010
- Shashi Bhushan Pandey and Haseeb Ulla Baig, Presented paper on “Investigation of Novel Fermentation Process utilizing *E.ganitrus* and its functional ingredients on achieving the optimal alcohol percentage by Probiotic culture”, in the National Conference on Functional foods – 2010, organized by Brindavan college.
- Ranit Ghosh, Debanjana Chakraborty, Reenak Saha, Presented paper on “A study on the role of Probiotic supplements in the treatment of cancer”, in the National Conference on Functional Foods – 2010, organized by Brindavan college.
- Huidrom Birendra Kumar, presented a poster titled “Antibiotic and fungicide extraction from Tulsi” at National conference on molecular medicine & nanobitechnology at NIMHANS organised by VIT & Reva college.

- Rahul Biswas, Presented a paper on “Incorporation and Utilization of Paraffin components as a source for the increment of protein and vitamin concentration in Yeast”, in the National Conference on Functional foods – 2010, organized by Brindavan college on Fermented Foods.
- Huidrom Birendra kumar & Derek A Pais, Presented a paper on “NADH- linked Aldose Fermentation- the key to anaerobic fermentation of Xylose”, in the National Conference on Functional Foods – 2010, organized by Brindavan college.
- Paramitha Saha and Amrutha, Presented a paper on “Fermentation of Cucumber pickle using probiotic organisms and its therapeutic benefits in lowering the cholesterol level”, in the National Conference on Functional foods – 2010, organized by Brindavan college.
- Debanjana Chakraborty and Ranit Ghosh won 1st Prize in Poster Presentation on “Ocean Acidification-consequences for the ecosystem” at National Science day, 2011 organized by M.S.R.C.A.S.C & Karnataka Science & Technology(KSTA), Govt. of Karnataka on “Climate Change” on 25th , 26th & 28th February 2011.
- Divya Laxmi and Lata G. won 2nd Prize in Poster Presentation on “Ocean Acidification-consequences for the ecosystem” at National Science day, 2011 organized by M.S.R.C.A.S.C & Karnataka Science & Technology(KSTA), Govt. of Karnataka on “Climate Change” on 25th , 26th & 28th February 2011.
- Santosh Kumar P., Anirban Guha, M.Suryanarayana Choudary attended a training program on “Basic quality & safety in alcoholic beverages” at CFTRI, Mysore February 2010.
- Huoidram Birendra Kumar and Derek A Pais, won a consolation prize on Paper presentation on “Chemistry for sustainable development”, at Maharani Lakshmi Ammani College, Bangalore on 11th March, 2011.
- Paramita Saha and Nahid Jahan Ansari, presented a Poster on “Peatland restoration and climatic change and its impact on Biodiversity” at, an intercollegiate National level Science Day, organized by MSRCASC in collaboration with Department of Science and technology, Govt of Karnataka.
- Anirban and Reenak of II MSc BT, has taken up a project work, under Prof. Shylaja Hithelmani, Department of Genetics and Plant breeding, GKVK, Bangalore.
- Santhosh Kumar P, has undergone a training program on “Mushroom cultivation, Azolla cultivation, Apiculture, Organic farming, Vermi Composting” from 18/07/2010 to 28/07/2010, at ABO Agro Bio Care.
- Santhosh Kumar P, Keshava Murthy, Arun Kumar, Swathi, Rajiv, won first prize in Group Dance competition, organized on 3/11/2010, PG cultural fest.
- Tushar Shaw and Sourav Das won 1st prize in Poster Presentation on “Energy Conservation” at Maharani Lakshmi Ammani College, Bangalore on 11th March, 2011., won 1st Prize in Face Painting on “Theme-Celebration” at M S Ramaiah

- medical college, Bangalore, won 1st Prize on “On-Spot poster making” at M S Ramaiah Law college, won 3rd prize in face painting at M S Ramaiah Law College.
- Rakesh, Darshan and Nagendra S, presented paper on “Application of Bacterial Biodiversity for bioelectricity production using Sewage waste from urban residence” at International conference on Environmental Pollution, water conservation and health, Bangalore University, 29th-31th July 2010.
 - Darshan, presented a paper on “Biodiversity of Vasthrabranam and Nrutha part in Bharathnatyam, Kathakali and Yakshagana and its role in maintaining good health-Dance therapy” at First Indian Biodiversity Congress held at Thiruvananthapuram, Kerala, 28th-30th December 2010 .
 - Tushar Shaw and Sourav Tushar Shaw and Sourav Das won 2nd Prize on “Vegetable carving” at M S Ramaiah law college.
 - Tushar Shaw, Sourav Das and Namrata Kapoor won 2nd Prize in Poster presentation on “Global Warming” at Acharya College.
 - Tushar Shaw and Sourav Das Amit Verma, Ananya Sanyal and Shreshtha Bhattacharya won 2nd Prize in Inter-collegiate Biotechnology Quiz in Operon, 2010, at Christ University.
 - Amit Verma and Ananya Sanyal, presented a poster on “Drug delivery of Paclitaxel (Taxol) with carbon nanotube” at National Conference on Nanobiotechnology, Nimhans.
 - Kavya V and Vasavi V, presented a poster on “Energy Conservation” at Maharani Lakshmi Ammani college, Bangalore.
 - Vinay Kumar B M, Aditi Chauhan, Parul, Richa Mehrotra and, presented a paper on “Effect of i-Pod on ear drums and human brain”, “Biodiversity of Rudraksha in India and Nepal”, “Production of Electricity from sewage waste using soil Bacteria” at Holicon, Hyderabad.
 - Vinay Kumar B M, secured first prize in “Vegetable Carving”, “Pipetting Out”, second prize in “Crossword” and Power point presentation on “BT crops Boon or Bane”, Third prize in Quiz along with Pankaj and Chaya, organized by M S Ramaiah college of Arts, Science and Commerce.
 - Darshan, participated in “Biofutura-10, Global warming and sustainability of civilization” organized by CMR college Bangalore.
 - Satabdi Simantini and Saba Khan secured Excellence in a Workshop entitled “current trends in Mushroom technology” organized by Acharya’s Bangalore B-School.
 - Ankitha, Juhi and Ritu, won first prize in Collage, Antika and Megha won first prize in Dumcharades, Ritu and Juhi won second prize in floral arrangement at MSRCASC UG Fest.
 - Sneha, Priyadarshini and Jhanvi of II sem BSc Genetics, won first prize in working Model Presentation on “Rain water harvesting”, an intercollegiate National level

Science Day, organized by MSRCASC in collaboration with Department of Science and technology, Govt of Karnataka.

- Sushmitha Kumari has presented a paper on “Carbon foot print” in National Conference – Students perspective on global warming, organized by Acharya’s Bangalore B school on 6th March 2010.
- Susmitha kumara, has participated in one day workshop on “Advances in Chemical and Biochemical Sciences”, held at Seshadripuram First Grade College, organized by Department of Chemistry and Biochemistry on 13th March 2010.
- Students of final year presented a poster and won third prize in Jain University. They also won Medal in paper presentation, organised by IIHM.
- Students of 2nd sem won 1st Prize in Model Making during National Science Day 2011.
- M.Sc Microbiology students won 1st prize in poster competition organised by Brindavan College.
- Kaustav & Rajitha of 4th sem M.Sc MB won 2nd prize in quiz competition on National Science day.
- They also won consolation prize for poster presentation at MLA college Bengaluru.

36. Activities of the Guidance and Counseling Cell

Proctor system is implemented to counsel and guide the students. Internal marks and attendance percentage of students are intimated by post to the parents. The proctor guides and encourages the students towards over all development. About 24 Students are allotted under each proctor. Almost all teaching faculty members are proctor. Proctors maintain the personal and academic records of all the students they are in charge of. Proctors guide the students in all matters and act as their counselors.

Monthly proctor meetings are conducted where in the students information are updated in the proctor forms. The proctors in-charge take note of their attendance, academic performance, health related issues etc.

The counseling cell functions under the guidance of HOD and the Departmental Staff. Counseling is provided for academic and personal problems if any brought to the notice of the HOD and Staff.

37. Placement services provided to the students

The following students were selected for different companies during the academic year 2010—11.

Student Name-BBM	Company
Rahul Singh	Fedility, Ocwen
Harini.M.V.	Club Mahindra Holidays
Deepti.H.S.	Club Mahindra Holidays
Sonal Sinha	Club Mahindra Holidays
Shefalika	Club Mahindra Holidays
Ashish Sindhia	Club Mahindra Holidays
Abhishek Reddy	Club Mahindra Holidays
Siddarth Mohan	Club Mahindra Holidays
Diya Gorai	Ocwen
Vanitha.V.M.	Hello Bangalore

Electronics students

The efforts made for the placement of the present final year students have resulted in the provisional selection in several companies Tech Mahendra, Mahendra Sathyam, ACC Cement, HCL were the companies looking for candidates as Graduate Software trainee. Fourteen of the final year students attended the same and three have been provisionally selected.

Six students of BCA are selected for iGate,Wipro,Cognizant ,Tech Mahindra which was held on August 2010.

- a) Modi Alek
- b) Anshuk Biswas
- c) Tuhin Acharjee
- d) Nazeen
- e) Priya Mukherjee
- f) Chaanda Roy

Placement personnel Participated in the event “ENVISION”: - HR Meet 2011 at Maharani Ammanni College at Malleshwaram,Bangalore on 26th March 2011 and was the MC for this event where Placement Officers from 40 Colleges and 30 HR Managers from various Multi

National Companies have also participated in this Conference. This shall facilitate the scope of many more placements opportunities for our students.

Co-ordinated with certain High Profile Companies like Ducom & Federal Bank by inviting them to our college.

The details of the recruitments done from 20th March, 2011 till date is listed below:

Department MBA - Final Year students

Placement activities from 20-03-11.

Sl no	Name of the companies	Date	Department	No. of Selects Package Offered
1	Ducom	30/03/2011	Marketing	0 6L
2	HB TV	30/03/2011	Marketing	3 3 L
3	TTK Services Pvt. Ltd.	31/03/2011	R & D	82.5 L
4	Britannia	2/4/2011	Marketing	7 3.2 L
5	Federal Bank	11/4/2011	Finance	2 6 L

Department B.Com - Final Year students

Placement activities from 20-03-11.

Sl no	Name of the companies	Date	Department	No. of Selects Package Offered
1	TTK Services Pvt. Ltd	31/03/2011	R & D	32 L

Department BBM - Final Year students

Placement activities from 20-03-11.

Sl no	Name of the companies	Date	Department	No. of Selects Package Offered
1	TTK Services Pvt. Ltd	31/03/2011	R & D	

Results awaited

38. Development programme for non-teaching staff:

Training was given to maintain the vegetable garden and flower garden.

Laboratory waste segregation is done by the non-teaching staff with the guidance of the Post graduate Biotechnology students.

39. Best practices of the institution:

- Faculty Development Programme for both teaching and non teaching staff.
- Industrial Visit

- Community Services
- Work Shops, guest lectures and Seminars
- Book Exhibitions.
- Women's day Celebration
- National Science Day
- Talent Hunt
- Cultural Fest
- Sports Day
- The value added courses are conducted for students.
- The proctor system is maintained to take care of the students performance.
- Students are encouraged to participate in various Inter-college competition, sports events, seminars, workshops etc.
- To improve the self confidence and first aid skills, a faculty development program & in-house symposium was conducted to improve the academic performance of students and to mould their character, Proctor system is maintained. The students are encouraged to participate in various inter collegiate competitions and sports activities.
- News bulletin board
- Students News letter.
- Industrial visits to students for different companies like The Hindu, HUL, Parle-G, Deccan Printers, Bangalore Stock Exchange, Universal Transformers, Mother Dairy, and Power Gear Ltd.
- The first issue of the News letter "Electronica" was published on 08/02/2011.
- A study trip to Kavalur Vainu Bappu Observatory was organized on 31/03/2011 and 01/04/2011. 34 students were taken along with teaching and non teaching staff. Various Telescopes were shown to students and Night sky was viewed through telescope and different stars, nebulae and planets were shown. A video clip on Asteroids and Meteoroids was shown.
- A special mass prayer was organized on 16/02/2011 in the context of Earthquake, Tsunami and Nuclear Power Plant Crisis at Japan.
- The Electronics department extended financial help in the form of donation as a continuation of its practice every year. The fund generated this year was contributed to the Registered Organization "Save the children"
- Industrial visits are organised both for UG &PG students, UG students were taken to BWSSB & KMF Yelahanka. An industrial visit to Coorg, & Mysore is organised for 4th semester MSc MB students in the last week of April. Shram-daan was done on Independence Day.
- Application to the UGC to recognize the college as a research centre is pending and is awaited .
- Distribution of Library Manuals on First Year Courses inauguration Day.

- Career/Employment Information Services.
- Internet facility to college staff.
- PPT & Personalized Library Orientation.
- Suggestion box and timely response.
- Display of new arrivals & circulation of a list of those to the departments.
- Conducting book exhibitions on different occasions.
- Renewal of books through phone call.
- Charity Service to the Orphanage Children.
- Property Counter with locker system.
- Departmental Library Facility etc.

40. Linkages developed with National / International, academic / research bodies:

Library membership with MSR sister institutions, Bangalore University Library and DELNET (Developing Library Network-New Delhi).

41. Any other relevant information:

A two day Workshop was organized by the Department of Electronics in association with Karnataka Science and Technology Academy on 8th and 9th February 2011. Forty five participants from various colleges, all from Electronics Department were benefited by this Programme. The programme was organized in connection with the Syllabus Revision of Bangalore University. The resource persons were Mr. S.L. Gangadharaiah from M.S. Ramaiah Institute of Technology for Verilog and Mr. Shiva Prasad and Mr. John Philip from M.S. Ramaiah School of Advanced Studies for Microcontroller. Hands on training was provided to participants on both the topics at M.S. Ramaiah School of Advanced Studies and M.S. Ramaiah Institute of Technology Labs. The Workshop was rated at a very high level in its usefulness and in the organization of the programme as per the feed back taken from the participants.

University Ranks

- Vijayalakshmi B.K awarded 4th University Rank from Bangalore University
- Sowmya R awarded 7th University Rank from Bangalore University
- Ms Sreejitha Chakraborty, Bangalore University 2nd rank holder MSc Biotechnology
- Ms.Rhishitha, Bangalore University 1st rank holder, passed out MSc Applied Genetics.

- Ms.Rimjim, Bangalore University 3rd rank holder MSc Applied Genetics.
- Ms.Shwetha, Bangalore University 5th rank holder MSc Applied Genetics.
- Richa Kedia of V sem. B.Sc. secured 100% marks in Physical Chemistry and awarded Gold Medal from Bangalore University.
- One of our non teaching staff Mrs. Ashwini Ramesh obtained first university rank in MSc biotechnology through correspondence from Kuvempu university.

Students who scored 100/100 marks in various subjects in university exam

- Sheik Nazneen of 6th Semester BCA scored 100% in Visual Programming & Personality Development & Communication Skills
- Neha Agarwal of 6th Semester BCA scored 100% in Project Work
- Vipul Kumar Singh & Anshuk Biswas of 6th Semester BCA scored 100% in Personality Development & Communication Skills.
- Madhusudhan .G of III year B Sc. Secured centum in Bangalore University Exam in Electronics Paper VI.
- Subahsree Naik – Scored 100 out of 100 in mathematics

Result analysis of BSc. Microbiology students for 2010-11 were as follows:

Odd semester pass percentage

- First semester 94%
- Third semester 90
- Fifth semester paper V -92%
- Fifth semester paper VI- 96.5%

Even semesters pass percentage

- Second sem 98.3%
- Fourth sem 100%
- Sixth paper VII – 97%
- Sixth paper VIII – 99%

Result analysis of MSc. Microbiology students for 2010-11 were as follows:

- Second and fourth semesters pass percentage – 100%
- Overall percentage of results of B.com for exams held in Nov/Dec 2010 - 65%
- The result of the students in the BA University Examination is 70 %.

Bangalore University Exam results in Electronics

June 2010 exam

- II Semester – 82%
- IV Semester – 100%
- VI Semester (Paper VII)– 96%
- VI Semester (Paper VIII) –100%

December 2010 exam

- I Semester –75%
- III Semester – 92%
- V Semester (Paper V)– 100%
- V Semester (Paper VI) – 96%

Pass Percentage of Department of Biotechnology/Genetics:

- III BSc BT Biotechnology: 100%
- III BSc Genetics: 94%
- II BSc Biotechnology: 98%
- I BSc Biotechnology: 100%
- I BSc Genetics: 84%
- II MSc Biotechnology: 93%
- I MSc Biotechnology: 79%
- II MSc Genetics: 100%
- I MSc Genetics: 93%

Dept of Sanskrit:

B.Sc. out of 7 Students , all are got I Class. Secured 100% Result.

B.B.M. out of 12 Students all are got I Class. Secured 100% Result.

B.Com. out of 18 Students 8 –I Class, more than 8- Students got II Class. 96% Result.

B,C.A. out of 3 Students All are got I Class. Secured 100% Result.

Dept of Hindi:

B.Sc. out of 40 Students I Class 28 , II Class 12, Secured 100% Result.

B.Com out of 59 Students I Class 34, II Class 11, Secured 94 % Result.

B.B.M. out of 63 Students I Class 37, II Class -226, Secured 99%.

B,C.A. our of 25 Students I Class 18, II Class- 05 Secured 96 %.

Book Exhibition

Department of Library and Information Centre has organized a Book Exhibition cum Sale on the occasion of Independence day, Kannada Rajyotsava and National Science Day by the three leading books publishers & distributors (i.e., 1) Super Book Service 2) Sharada Book Suppliers & 3) Sahithya Loka Books Stall) in our MSRCASC-main campus and in this exhibition all the students and college staff members had participated actively and selected the books for library on different subjects like, Biosciences, Kannada, English, Hindi ,Sanskrit, competitive exam books and books on general interest.

Celebrated ‘World Forest Day’ on 21st March 2011 in order to bring awareness about importance of forest and its conservation.

Celebrated “World Water Day’ on 22nd March 2011 to bring awareness about the conservation of water & its importance to life.

Bioblooms and postgraduate fest

Post Graduate Science fest was held in the month of November, 2010, dated 2nd, 3rd and 4th. The various events held on these respective days were:

November 2nd: Academic events which comprised of:-

- Scientific collage on “Biodiversity”
- b) Review writing-Topic-“Probiotics”
- c)Extempore-Topic-“Day to Day Science”
- d)Power point presentation-Topic-“Ethanomedicine and Modern Drugs”

November 3rd: Cultural events:The events comprised of solo dance, solo song, group dance, fashion show, floral arrangement, rangoli, nail painting, vegetable carving, mehandi, hair style.

November 4th – Bioblooms, an in-house symposium was conducted. The speakers for the day were:

- Venkateshappa.C.,Research Scholar, Department of Neurochemistry, NIMHANS. Topic: “Dietry polyphenols and their biological significance”.
- Mrs.Bindu Sharma.,CEO, Origin IPR Solutions. Topic:”Implications of IPR in life Sciences”
- Dr.V.Palani, Managing Director, Genewin Biotech, Topic:”Plant tissue culture paving way to new byproducts”

Vision 2020

Hon'ble Chairman Dr M R Jayaram invited the heads of the Departments for a session on Vision 2020 for M S R Institutions to describe and lay the foundation to grow the present institution into a Holistic Institution to meet the demands of the 21st century. An action plan is being drawn out.

▪ NCC ACTIVITIES 2010-2011

Lt. SHOBHIT BHARDWAJ, NCC OFFICER

The NCC unit of the College belonging to 8th Karnataka Battalion was established in the year of 2003- 2004. The present strength of the unit stands as 106 members including both boys and girls.

During the Academic year 2010-2011 our NCC cadets took part in the:

Combined Annual Training Camp held in Anebesent Park, Doddaballapur. From 23rd of October to 1st of November 2010, and January 9th – 18th 2011 held at Vidyanagar Sports Complex, Bangalore.

National Integration Camp held at Belgaum from 15th of November – 6th of December 2010, 10 cadets attended it and became runners in cultural.

Mr. Shobhit Bhardwaj attended a 3 months PRCN Course (Pre Commission training Course) at Kamptee (Nagpur) on Nov'26-Feb'28 and received 'A' Grade.

When the Blood Donation Camp was held in the college on 25-01-2011 the NCC Cadets came in good numbers and donated blood. The service-mindedness of our cadets was visible on the day.

Cadet Ravi Kiran.L 1st year B.Sc was selected to give Guard of Honour to the respected Governor: H.R. Bhardwaj and Law Minister Veerapa Mohili, as the Left Pilot in the Bangalore Universities 46th year Convocation held at the Central College, Bangalore.

NATIONAL SERVICE SCHEME 2010-11

NSS activities for the year 2010-11 were kick started on 30/08/10 with inauguration. Dr. P.C. Krishnaswamy, NSS coordinator, Bangalore University was the chief guest. After inaugurating Dr. P.C. Krishnaswamy spoke about the importance of NSS, facilities given by the university to NSS unit and encouraged the students to join the NSS to understand the society. NSS officer of the college Mr. Surendra and Principal Dr. S. Samuelson were present on this occasion.

On 08/09/10 Jadugar Jagannath was invited to our college. He was successful in encouraging the students by quoting the Swami Vivakananda's messages through his magic. He told the

importance of Youth in building a healthy and strong India. Students are moved by his speech.

On 22/09/10 NSS students visited a Samrakshana anthashram in Kengeri, run by Mr. Jadugar jagannath. NSS volunteers donated much needed grocery items and spent some time with orphan kids. NSS students understood the needs of an orphanage and how society should help them.

NSS officer Mr. Surendra and four NSS volunteers of the college have attended a seven day university level leadership training camp from 24/09/10 to 30/09/10. The camp helped the students to inculcate the leadership qualities from the various activities such as shramadhan, seminars, group work, cultural etc.

On 04/10/10 NSS students have done a Plastic awareness campaign in and around the M. S .Ramaiah institutions. In the process we had given proposal for all the Principals of different institution to take steps to ban the usage of plastic in the campus.

The **YOUTH RED CROSS WING** comprises of 85 student members and 11 faculty members belonging to various departments of the college. THE YOUTH RED CROSS WING was inaugurated for this academic year 2010-2011 on 12th of August 2010, by Dignitaries from the (Karnataka Red Cross society) KRCS, Principal, staff members, and student volunteers.

To embark on the programmes of YOUTH RED CROSS WING and as a tribute to “GENEVA CONVENTION DAY”, a rally and emblem campaign of Red Cross was organized. Around 200 student members, Faculty members of MSRCASC, Members of YRC, Karnataka Branch, took part in this rally, which was for about 4hrs, in the Matthikere area.

The events organized by the college Youth Red Cross Wing for the academic year 2010-11:

Date	Event
12/08/2010	GENEVA CONVENTION DAY
12/08/2010	EMBLEM CAMPAIGN
12/08/2010	FUND RAISING FOR RED CROSS ACTIVITIES IN COLLEGE
25/11/2010	COMMUNAL HARMONY
10/10/2010	FUND FOR PRIME MINISTER’S RELIEF FUND (Leh)

25/01/2011	BLOOD DONATION
09/02/2011 – 15/02/2011	7 Days SPECIAL CAMP (Vaddarahalli &Thuppadahalli) * 750mts of road was laid along with NSS volunteers *250mts Drainage(Health awareness programme) was laid along with NSS volunteers

Principal Dr. Sakuntala Samuelson was selected as member of Youth Red Cross sub committee Karnataka State Branch and was made responsible for “Drafting the guidelines for activities of Youth Red Cross Wing, Karnataka”

A cross cultural discussion on “Women’s Role in Society” was held on 12/02/2011, in Red Cross Bhavan. Fifteen students from various European countries and Twenty students of MSRCASC along with Mrs. Dhanalakshmi, participated in the discussion with the YRC Committee members, Dr. Kulkarni, Sri K R Dharmappa, Dr. Sakuntala Samuelson.

A lively discussion on “Harassment of girl students all over the world”, was coordinated by the leader of the team from Netherlands University.

Programme officier, Mr. Ramakrishnaiah, Dept of Biotechnology/Genetics, along with four student volunteers, Vinay Kumar B M, Naveen Kumar N A, Harini M, Deepthi H S, who have actively participated in all the activities of YRCW, attended the Five day – National level YRC Training cum study camp, at MKU, organized by IRCS, 24th-28th February 2011, Tamilnadu Branch. They also presented the Power Point Presentation on our college YRCW’s activities.

Best Male Student Youth Red Cross Volunteer is been awarded to Vinay Kumar B M (Dept of BT/Gen) and Best Female Student Youth Red Cross Volunteer is been awarded to Harini M (BBM dept)

National Science Day 2011

National Science Day was celebrated in collaboration with Karnataka Science and Technology Academy on 25th, 26th, 28th February 2011. The theme for the programme was “Climate Change”. The event was conducted to commemorate the contribution of Sir C.V.Raman to the field of Science.

Dr.Lakshmikanth was the Convenor/Organizing Secretary & Mr. Prasanna Kumar was the Co-ordinator of the programme. A host of staff members worked overtime during vacation and weekends for 3 months to organize, plan and conduct the programme successfully.

26 Colleges from Bangalore Urban and 8 Colleges from other districts (Kolar, Chikkaballapur, Doddaballapur, Tumkur, Hassan, Ramanagara, Mysore, Gowribidanur, Bangalore rural) participated in the events.

600 students and 150 faculty members from various colleges registered for this programme.

28 faculty members took part in an essay competition on “Combating Climate change – A teacher’s role” in English and Kannada.

52 teams of students took part in the Science Model Making Competition.

123 teams participated in the Science quiz conducted by Dr.N.Someshwara

102 teams made posters and presented them for evaluation.

85 students gave pencil sketch drawing on climate change.

7 teams from M.S.Ramaiah college of Arts, Science and Commerce wrote theme songs and the best two were chosen for the events as songs of invocation.

National Science Day 2011 was inaugurated by Honorable Minister for Science and Technology Sri Krishna.J.Palemar, Principal Secretary Science and Technology, Government of Karnataka Sri. Ashok Kumar.C.Manoli, Prof. U.R.Rao, former ISRO Chairman, President KSTA, Sri H.Honne Gowda, Member Secretary KSTA and Honorable Director Sri. M.R.Kodandaram

The college donated Rs Five thousand for the PRIME MINISTER’S NATIONAL RELIEF FUND BY DD BEARING No. 830141 dt 3rd Sep 2010

Womens Day 2011

This year marks the 100th anniversary of International Women’s Day. It has been a long walk to freedom. A girl child is still murdered in utero and a bride burned for the inadequacy of her dowry. Our students depicted their thoughts in the form of a pencil sketch on 6th March Our past and present student’s entrepreneurs kept stalls to sell their wares. The entire college encouraged their endeavors. The CRY (Child Rights and You) organized a programme to enlighten the students on “rights of a girl child”. A spectacularly successful event!

World Sparrow Day

“Bring the Sparrow back to Bangalore”

Sparrows have flown out of most traditional homes in the city as the life styles have changed. Lack of food and space has forced them to move away from urban areas. Pesticides, fertilizers and adulterated food are also attributed to their disappearance.

Ecologically responsible lives and the need for sustainable living is important for survival. Sparrows are natural insecticides. The world House Sparrow Day (March 20) was celebrated

by procuring “Gubbi Goodu” from Biodiversity Conservation India, Limited and Zoo authority of Karnataka (ZAK). Sparrow houses made from bamboo have been hung at strategic points to attract these chirpy bundles of energy and support the programme.

Hindi Day

Department of Hindi concocted Hindi day on 14th Sep. 2010.

Many competitions were conducted like essay Writing, Recitation Shayari, pick and speak etc. The winners were awarded on this occasion . The Chief Guest Manoj Minout a famous Social worker, and a good Hindi Speaker enlighten the gathering about Indian Culture and language.

Department of Kannada celebrated Kannada Rajyothsava on 3rd Nov. 2010.

Cultural programmers were arranged on this occasion. Sri Ravi kumar and group were invited to sing folk song , light Music, lavani, patriotic song, etc.

Smt. Mahalaxmamma, Head of the Department of Kannada gave a short Lecture on Kannada Rajyothsava .

Ecoclub published a newsletter ‘planet on plate’ in the month of September. Where in theme for the newsletter is save earth and the all the issues related to environment. Articles are from the students, staff and some eminent environmentalist under guest column.

Ecoclub took initiative in celebrating World Earth Day on 22nd April. The members and the staff members took a great interest and planted saplings of different varieties of trees on the campus. This would help in increase in tree cover and help in small way in combating climate change.

Ecoclub ,NSS and youth red cross of M S Ramaih took initiative in celebrating the International Labour Day on 1st May. the Labour day was celebrated towards the support staff who are always the helping hand in all the college activities. In order to pay due respect to the support staff labour day was celebrated by organizing a cultural program and by distributing the gifts as a token of gratitude towards there immense support and great help.

May day celebrations

2011 is international year for labors. Hence the college honored the house keeping staff of the college on April 30th, 2011 by recognizing their hard work and rewarding them with a set of nice dress to each of them. games were organized for them and prizes were distributed.

World earth day was celebrated on April 24th planting saplings of trees in the campus.

BANGALORE UNIVERSITY RANK HOLDERS/GOLD MEDAL LIST

2009-2010 Exam, Prizes given in 2011

1	RICHA KEDIA	BSC- Physical Chemistry - Gold Medal / Academic excellence I prize
1	RESHITA BARUAH	MSC- Applied Genetics -1st Rank / Academic excellence I prize
2	SREEJITA CHAKRABORTY	MSC- Biotechnology -2ndt Rank / Academic excellence I prize
3	RIMJHIM MAHAJAN	MSC- Applied Genetics -3rd Rank
4	SOHINI GHOSH	MSC- Microbiology -4th Rank / Academic excellence I prize
5	SWETHA K S	MSC- Applied Genetics -5th Rank
6	SOWMYA R	BCA 4th Rank /Academic excellence II prize
7	VIJAYALAKSHMI B K	BCA 7th Rank/Academic excellence I prize

PART C

DETAIL PLANS OF THE INSTITUTION FOR NEXT YEAR (Plan for 2011-2012)

Student admission process is to be initiated as soon as II PUC exam results are announced. The prospectus committee plans, discusses and prints the booklet. Admission committee is to meet every day and put up first, second, and third list of students.

Teaching faculties for different courses have been advertised and are to be recruited after formal procedure of selection.

Cultural committee has planned to initiate their activities in coordination with senior students to put up a programme on inauguration and orientation of first year classes and introduce the programmes for the year. Details of talent hunt and intercollegiate programmes are to be planned.

The institution plans for visits to different research centers and industries to impart practical knowledge to the students.

As the syllabus for B.Sc (Electronics and Genetics) has been upgraded, respective departments plan for special coaching for the students and the staff from the subject experts. Importance is given to the new courses. Question banks from other colleges collected for the benefit of new courses.

The college plans to inculcate the soft skills like team-work, organizational abilities, communication skills, leadership etc in the students. So the college plans to initiate events in the form of functions of the college, intercollegiate fests etc entirely under the responsibility of students with minimal guidance from the staff.

The college has a plan to create awareness in the students about various problems in the society, health sector and their remedies.

Magazine committee plans for collecting articles, photographs and printing of magazine.

Every department has planned for the Newsletter publication for internal circulation as a part of student's activity.

Library committee is to take up stock checking during vacation and plan budget for the year as per the student and staff requirement.

Disciplinary committee, modify rules and disciplinary measures. Proctor system plans to group the students under respective proctors.
