VOLUNTARY WORK

Sharing books and happiness

Pandit Jawaharlal Nehru had once said, "Every child is special and has tremendous potential to influence the development of the environment around him/her. On the occasion of Children's Day, every child should be made to feel special and make the occasion memorable."

Keeping this in mind, the library of MS Ramaiah College of Arts, Science and Commerce, in collaboration with the Youth Red Cross Wing of the college, celebrated National Book Week (November 14 to 20).
