

CULTURAL EVENTS – 2012

The cultural committee of our college has been very active since the reopening of the college.

The inauguration for the fresher students took place on the 13th June 2012. Justice Venkatachalaiah presided over the function and gave an inspiring speech to the students. He spoke about the duties of the students towards their selves, college, society and the nation. It was a highly motivated speech and the students were highly impressed. It was a perfect speech to set the students in a right frame of mind as they entered yet another phase of life.

On the 29th June 'Talent Hunt' was organized to tap the students of the fresher's. It was not a competition and the students were allowed to stage any talent that they had. The 1st year students were excited and participated with enthusiasm without the intervention of their seniors.
