Bangalore

Dr. Vakula rani gave an idea and motivated students to be inspired and come out with innovative ideas to the people to be an entrepreneur without any suspesctance in mind. The session was very informative and very inspirable.

With so much information delivered to the students, it obviously gave rise to many queries in the minds of the students which all the speakers were happy to clarify. The Q&A Session was followed by with a vote of thanks by Ms. Brundha N Assistant Professor Department of Computer Science. The session was focused more on motivating the students toward entrepreneurship through the life story of successful entrepreneurs. As a part of Honoring the guest of the day a memento was presented by Ms. Srividya Assistant Professor of Department of Computer Science. The session ended with taking group photo with guest and participants.
