Brief about the activity:

On the auspicious day of February 29th, 2024, the Department of Computer Science, in collaboration with the Institution Innovation Council, orchestrated a transformative one-day workshop titled "Entrepreneurship Behavior Skills and Attitude" at the prestigious Mother Theresa Auditorium. This enlightening event catered specifically to the budding talents of first-year MBA and M.Sc. students at MSRCASC, heralding a new chapter in their academic journey.

Guiding the eager participants through this immersive experience was none other than Rahil Ahmed S, a luminary in the entrepreneurial realm and the esteemed Managing Director at Percoyo Digital. The workshop commenced with the resonating notes of the Ramaiah Anthem, setting a spirited tone for the day ahead. Ms. JayaShree, a final-year MBA student, took charge as the host, warmly welcoming everyone and introducing Rahil Ahmed S, highlighting his illustrious career and profound expertise.

Rahil Ahmed S wasted no time in immersing the attendees in an interactive dialogue, probing into their aspirations and interests in entrepreneurship. Drawing from his rich reservoir of experience, he meticulously navigated the intricacies of venturing into the entrepreneurial domain, shedding light on the essential principles, regulations, and prerequisites requisite for starting a successful business venture. His narrative was not merely theoretical but deeply rooted in personal anecdotes, offering a glimpse into his own entrepreneurial odyssey.

Throughout the session, Rahil Ahmed S elucidated the quintessential traits that set triumphant entrepreneurs apart, emphasizing the pivotal role of mentorship in nurturing entrepreneurial acumen. With a blend of sagacious wisdom and practical advice, he elucidated upon the common pitfalls leading to business failures and proffered invaluable strategies to navigate through the labyrinth of entrepreneurship.

Moreover, the discourse ventured into the symbiotic relationship between technology and contemporary business landscapes, exploring both its transformative potential and the inherent challenges it poses. Rahil Ahmed S adeptly dissected the nuances of leveraging technology as a catalyst for business growth, peppering his insights with real-world illustrations that resonated deeply with the audience.

The workshop culminated in an enriching Q&A session, where Rahil Ahmed S graciously fielded a barrage of inquiries from the eager participants, further enriching the collective learning experience. Ms. Shaik Valli Haseena extended heartfelt gratitude on behalf of the organizing committee, underscoring the workshop's profound impact in igniting the entrepreneurial spark within the student community.
