## IIC Activity-Empowering Young Mind with Ideas That Matter

### Empowering Young Mind with Ideas That Matter

This initiative aimed to spark entrepreneurial thinking among young learners by encouraging them to come up with innovative business ideas and present them confidently. The students worked in teams, explored real-world problems, and developed creative, sustainable, and practical solutions—transforming their ideas into mock business models

The Faculty Coordinators were Ms. Pooja N, Ms. Fathima S

The Student Coordinator: Bhavan C, Gowda warshitha Ravi, Sonal M P, Shraddha S, Srihari, Adarsh G, Aman Aiyappa and Arnav Utappa.
