As a part of National Youth Day 2024, we had visited Ramakrishna Ashram, Basavanagudi Bangalore from NSS along with M.Sc Biotechnology students on 16-1-2024, Tuesday. Swamy Anilayananda took us for Ashram visit and explained the importance of Ashram and its existence and also Swamiji explained about the historical events took place there.

Ramakrishna Math, an ascetic institution birthed through the visionary insight of Swami Vivekananda, a disciple immersed in the spiritual realms of the 19th-century mystic luminary, Sri Ramakrishna Paramahamsa. We all had enjoyed the essence of silence and mediation which gave us relaxing experience. According to Swami Vivekananda, the temples of Sri Ramakrishna should be built to enable the devotees to advance spiritually for realizing the truth with no hatred towards other faiths.
