

Organizing Committee Members

Dr. Nagarathna A
Principal,
RCASC, Bengaluru.

Dr. Nagagireesh Bojanala
Dean and Head of Research
RCASC, Bengaluru

Mr. Prasanna Kumar S G
Associate Professor,
HOD of Chemistry/Biochemistry
RCASC, Bengaluru

Dr. Harisha S
Assistant Professor,
RCASC, Bengaluru

RAMAIAH
**College of Arts, Science
& Commerce**

Dept. of Chemistry / Biochemistry

In association with

**A Certified ISO 9001: 2015
Clinical Research
Training and Consulting
firm**

Organizes

WEBINAR

on

**Current Market Trends in Clinical
Research - Opportunity and
Future**

Registration Free

e - Certificate will be issued for the Participants

Date

1st August 2020

Time

11.00 AM – 1.30 PM

Priyam Shrivastava
Distinguished Alumni (MSRCASC)
Mentor, Guide and CLINIPRENEUR

Anju Prakash
HR and Business Strategy Lead
CLINIASSURE

Priyanka Saini
Clinical Research Consultant
CINIASSURE

Parinita Sharma
Program Manager and Domain Consultant
CLINIASSURE

Aseem Kulshreshtha
Project Management Office
Pro-Bono Consultant

Who can Attend

All Graduates and Post Graduates of Life
Sciences Students

For Queries Contact Coordinators

Key Players in Clinical Research

About College

Dr. M S Ramaiah, a visionary and philanthropist established "Gokula Education Foundation (GEF)", in the year 1962, to deliver education and healthcare for the betterment of mankind. Under the tutelage of GEF, M.S Ramaiah college of Arts, Science and Commerce (MSRCASC) was established in 1994. MSRCASC is Re-accredited with "A" Grade by NAAC, permanently affiliated to Bangalore University (BU), and approved by AICTE.

The college offers seven UG courses and four PG courses in Arts, Science, and Commerce, to around 2000 students. The Department of Life Sciences conducts 2 UG and 4PG Programs in Microbiology, Chemistry, Biotechnology and Biochemistry to about 800 students. The dedicated academic faculties from our college have extensive teaching experience and have pursued doctoral and postdoctoral work in eminent institute's in India and abroad. Ramaiah College not only educates young students to excel academically, but also strives hard to ingrain social responsibilities in them.

About Department

The department of Chemistry and Biochemistry was established in the year 1994 and currently conducts both UG and PG courses in Chemistry and Biochemistry. The syllabus is constantly supported by current day, real life applications carrying utility value. The department has very good infrastructural facilities to carry out teaching and research activities. Highly qualified faculties are assigned with theory and practical classes and are instructed to emphasize on the 'learning' of the students. The department undertakes research projects of national importance in the field of biological chemistry and has attracted funds from various agencies.

Through the sincere effort of our faculty we have obtained many University ranks, 90-100% results in both UG and PG courses consistently. Our students have been placed in various companies and many are pursuing their higher education in India and abroad. We encourage students in doing research, present papers at National conferences, publish their findings in Journals of repute and also participate in co-curricular and extra-curricular activities.

About CLINIASSURE

CLINIASSURE is a one of the unique and premier Clinical Research training and consulting firm that has been supporting untapped potential since significant times has gained great influence for their distinctive mentorship excellence program. CLINIASSURE is dedicated to support clinical research aspiring minds who are truly inspired to get mentored through innovative and unique approach in clinical research.

Mission

To bridge the gap between talent available in country and competence required for clinical research industry suitable training intervention and to contribute in developing robust national clinical research ecosystem.

Objective

To connect untapped talent in the Colleges and Universities to Clinical Research Industry experts of Medical, Nursing, Biotechnology, Life Sciences and IT Sectors by providing training and mentorship to clinical research aspirants and supporting them in end to end process to kick-start their career.
