**REPORT ON
ALUMNI INTERACTION WITH B.Sc. IV SEMESTER STUDENTS**

Dated 19th April, 2021

Ms. Sarangee Menon (Reg. 14KUS85027) of 2014-17 batch B.Sc (Genetics, Biochemistry, Microbiology) student has interacted with B.Sc IV semester students, as alumnus. She had given the feedback on curriculum and about the ideal future career choices. She informed students (No. of Participants: 29) about the methods of preparation for the M.Sc University exam and to plan simultaneously for other competitive examinations. She had shared with the students about her work experience in the company which she is working and also mentioned about the competitive skills which students should have to face the industry and companies. Her interaction was observed to be motivated many students and is a successful interaction.
