

Action Taken Report on Stakeholders Feedback for the Academic Year 2021-22

Based on the feedback report submitted by IQAC during the meeting held on 9/6/2021 following actions were taken on the feedback report for the academic year 2021-2022

SL.NO	IQAC Recommendations based on summarized feedback report	Action Taken
1.	Care should be taken to impart Outcome-Based Education (OBE) curriculum Initiation w.r.t. NEP curriculum	IQAC introduced an outcome-based education framework for POs/PSOs and Cos as per NEP syllabus
2.	Teaching faculty have to be periodically trained to update their knowledge, which could be implemented in their course of work. Encouraged to take up NPTEL courses	IQAC conducted 10 FDPS in association with different departments to enhance quality outcomes in teaching and learning practices. Faculties have enrolled for NPTEL courses under various streams
3.	A competent curriculum has to be outlined to mandate the recent day educational needs to keep the students updated for the skill-based development	Skill-based and value-added programs were conducted on the thrust areas to develop various job oriented and research-oriented skills among students
4.	Curriculum can be effective with the interface of industry with academia. Implementation of industrial visits for students are suggested.	As per the suggestion, students were encouraged to take up internships and industrial visits for the betterment of curriculum
5.	Experiential learning to be implemented apart from regular practicals.	To enhance students' practical and research skills through experiential learning, college has signed for collaborations with various institutions for exchange of knowledge and learning
6.	Enhancement of career competence among students through soft skills training	Soft skills training and interview rehearsal were organized to improve the soft skills of the students
7.	Implementation	ICT facilities have been put in place to help create e-content on an ERP-based LMS.
