Career Counselling

on

“OPPORTUNITIES FOR HIGHER EDUCATION IN ABROAD”

Objectives: To provide career counselling to the UG students regarding higher education and scholarships at foreign universities.

Venue: Department of Microbiology, MSRCASC

Date of conduction: 15th July 2022

No. of Participants: 30 students from class of VI sem B.Sc

Resource persons: Alumni students Mr. Venkatakrishnan and Ms. Shambavi Singh

The Department of Microbiology conducted a career counselling activity on **15th July 2022**. The event was to educate the VI semester students about the opportunities of higher education in life science subjects at foreign universities. The Under graduate students studying Genetics, Biochemistry, Microbiology participated in the career counselling and actively involved in the discussion. The students interacted with the senior alumni students and gathered information about scholarship details. The students took active participation in the activity and learnt about the studies at Germany, official language proficiency and applications of student scholarship. The students discussed about the visa and importance of clearing the IELTS exams.

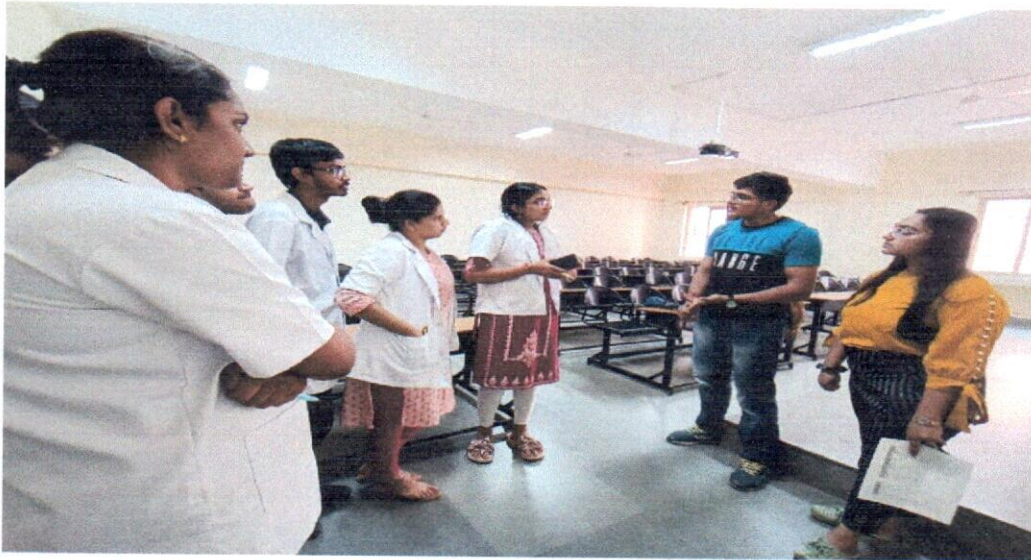

The activity was coordinated by the faculty members of Department of Microbiology, MSRCASC- Dr. Prasanna Srinivas. R, Dr. Yogesh and Dr. Ramesha.
