To, The Principal MSRCASC Bangalore-54

From, Prathiba V K HOD, Dept. of Electronics RCASC Bangalore-54

Respected Madam,

Subject: Permission to conduct FDP on "Mandate of Faculty Research and Its Grants"

With reference to above subject, the Dept. of Electronics has planned to conduct One Week Online faculty development program on "Mandate of Faculty Research and Its Grants" from 14th to 18th February 2022. I am kindly requesting you to give permission for the conduction of the program, please do the needful and oblige.

Thanking you,

Yours faithfully, Dr. Prathiba V K

Principal,

M.S. Ramaiah College of Arts, Science & Commerce MSRIT Post, MSR Nagar Bangalore - 560 054

About RCASC

Dr. M S Ramaiah, a visionary and philanthropist established "Gokula Education Foundation (GEF)", in the year 1962, to deliver education and healthcare for the betterment of mankind. Under the tutelage of GEF, Ramaiah college of Arts, Science and Commerce (RCASC) was established in 1994. RCASC is Re-accredited with "A" Grade by NAAC, permanently affiliated to Bangalore University (BU) and Bengaluru Central University, and approved by AICTE.

About the FDP

The aim of our Institution is to attain sustainable development in enhancing the academic and intellectual environment by providing ample opportunity to involve in innovative teaching, driving up the institutional ranking and increases the quality of teaching and learning. Faculty Development programs strengthen the professional development of the faculty members.

Research in any discipline of thought is an ongoing process of enhancing the existing fund of knowledge by exploring new frontiers that challenge the human quest for understanding reality. The question of the quality of research underscores whether the research in any branch of knowledge enriches knowledge ecosystem in a significant manner. The question of the quality of research has become the center of academic, professional, and higher education policy debates all over the world.

Department of Electronics

Report on One Week Online faculty development program on "Mandate of Faculty Research and Its Grants"

Date: 14/02/2022 to 18/02/2022

Platform: Google meet

The Department of Electronics had organized One Week Online faculty development program on "Mandate of Faculty Research and Its Grants" from 14th to 18th February 2022.

Objective:

The Academic Research is a part of global development, generally the research is carry in an industry level with a moto of developing a new invention in their product to compete with the market requirement. Creativity bring the innovation, creating original contributions on concepts and products. The concepts are refined in the industry and later applied to industry. The research done by the faculty help to give advice to industries as well as government projects. The main moto agenda of this program is to bring awareness about research and grants by the government and the universities to develop the research environment in the Academics.

The workshop focussed on the following areas -:

1. Importance of Research

Date: 14/02/2022

Resource person:

Dr. A Nagarathna Principal **MSRCASC** Bengaluru

Dr. Nagarathna A focused on Incorporating a research component along with a sound academic foundation enables students to develop independent critical thinking skills along with oral and written communication skills. The research based teaching and learning process among the students and the

(National Institutional Ranking Framework, Ministry of Education, Govt of India) Ranked 62™ in NIRF India Ranking by MHRD, New Delhi DBT Star College Scheme

teachers will enhance the quality of education and it is much required for under graduate students because it develop their critical thinking. The visibility of the scientific community will be increased by the research culture. Apart from the teaching and learning it is important for a faculty to involve in research activity will create a sound in the Academic process.

2. Consultancy and funded projects for higher education teachers

Date:(15/02/2022 to 18/02/2022)

Time: 3:00pm

Resource persons:

Dr. Srinidhi G A Assistant Professor Dept. of Medical Electronics Sri Siddhartha Institute of Technology, Tumkur

Dr. Srinidhi G A discussed about Research & Institutional Development Schemes

Dr. Srinidhi. G.A explains about the different Research programs and schemes from the government which support to the faculties for their research activities in the institution. Some of the schemes follows

Modernization & Removal of Obsolescence Scheme (MODROBS) a)

MODROBS supports to the educational institutions to get the modern infrastructure, laboratories, technical and scientific workshops and technical support to enhance the teaching, research and training programs. The maximum funding is 15 lakhs and the duration given for establishment is 2 years. The students and faculties are benefitted by enhancing their knowledge in the new advanced equipment's and training programs which make them more knowledgeable and efficient professionals in their respective steams. Removal of Obsolescence Scheme create the research ambience by supporting research activities, establishing and emerging new advanced technologies. It supports to develop a model from the conceptual hypothesis and provide the financial support of upto 10 lakhs. The patentable technology development by funding upto 20 lakhs.

(National Institutional Ranking Framework, Ministry of Education, Govt of India)
Ranked 62rd in NIRF India Ranking by MHRD, New Delhi
DBT Star College Scheme

Dr. Srinidhi is also explained about other Science and Technology Promotion Programmes

- CSIR (Council Of Industrial Research) Programme on Youth Leadership in Science
- CSIR Diamond Jubilee Research Interns Award Scheme
- Visiting Associateship Scheme
- Partial Financial Assistance for holding National/International Conferences/ symposium/
- Seminar/ Workshops conducting in India
- Travel allowance to Research Scholars
- Entrepreneurship Support to Research Scholars
- Faculty Training Programme and Adoption of Schools and Colleges by CSIR Laboratories

He also explained that the research proposal must have quality and the non-directivity of the research theme. We must be conscious about writing research proposal to the government funded projects, it must be within the domain what we specified. Some of the government which support the women scholars also, VGST schemes.

Outcome:

Dr. A Nagarathna reveals the significance of the research for faculties and the Quality of research play an important role to get the funds from the government. Dr. Srinidhi G A signifies about Different Faculty Research Promotion Schemes (RPS), Core research grants, Vision group on Science and Technology. He also informed about various research funding agencies.
