2021-22

Institutional Distinctiveness

Seed money was sponsored by management of M.S. Ramaiah college of Arts, Science and commerce in order to encourage the research and novelty among the faculty members and students.

Objectives

1. To initiate the research work which nurture the students with research motivation
2. To render the financial support for the minor research projects
3. To collaborate with other institutes and industries
4. To publish articles considering the outcome of projects

The research proposals were called by the management to sanction the seed money during the year 2018-2019 for the in-house projects to promote the research temperament among the faculty members and students. The seed money proposals were reviewed by the panel of expertise. The projects were selected based on the novelty and sanctioned with the seed money and initiated the research work. A total of 6 projects were selected in 2019 and 5 projects were selected in 2022.

Outcome:

Following the completion of project, the principal investigator submitted the project report besides 10 articles from all the Life science department were published based on the outcome of the project.
