Report on

Soft skill program “PRESENT AND LEAD”

Date: 02nd November 2023

COURSE: BSc ECs 3rd Semester.

Resource person: Mrs ASHARANI R

Venue: COMPUTER LAB 507

Objectives:

- Students will able to set higher goals and set targets
- Students should think creatively on their own
- They will know their strength and weakness
- They will be in position to handle stress
- They will manage available time for expected results
- They will be able to recall the concepts during examination
- They will be in a position to manage stress and overcome memory problems
- To give confidence to Students, so they can speak without fear

Soft Skills is a very popular term nowadays, used to indicate personal transversal competences such as social aptitudes, language and communication capability, friendliness and ability of working in team and other personality traits that characterize relationships between people. Soft Skills are traditionally considered complementary of Hard Skills, which are the abilities to perform a certain type of task or activity. Soft Skills are strategic to be successful in personal and professional life then is essential for the students when they try to obtain any kind of job.

Enterprises generally hire new employees, in particular recent graduates, taking more inconsideration their Soft Skills than their Hard Skills. This happens also for technical professions, because the company, in order to be competitive, needs to create good and effective teams and a collaborative working atmosphere.

The departments of the college have organized various types of activities to develop the soft

Skills of the students enrolled with the institution. These activities of the departments and platforms available helped the learners to learn and acquire soft skills like Communication Skills, Presentation Skills, Written Communication, Interpersonal Skills, Creativity and Leadership etc.

In order to improve the communicative abilities of the students, the students are given in depth lessons by organizing workshops, state level elocution competition, interfaculty debates and group discussion and expert talks of the quality speakers and the trainers throughout the academic year. These activities benefit the students to enhance the knowledge of use of language and its spoken aspect. It helped the students for their development of communication skills.

To improve the Presentation Skills the departments conducted seminars of the students. The students get participated and perform active role in the Seminars. Topics are given to them to prepare and present to assess their performance. Every year the departments make the organization of such seminars a regular feature of the campus. The Department of English conducts the Poetry Recitation activity which helps the students to learn the presentation skills and enhances the creative capabilities among them. The Group Discussion is the routine practice of the campus may it be the part of the curriculum or not. They learn the art of argument which helps them in practical life ahead and thus develop interpersonal skills among themselves.
