

CIRCULAR

DEPARTMENT OF MICROBIOLOGY

Guest Lecture on:

“Why do we behave the way we do?: From the perspective of Neuroscience”

This is to inform all students of M. S. Ramaiah College of Arts, Science and Commerce that Department of Microbiology under DBT Star College Scheme in Association with IQAC is guest lecture on the topic **“Why do we behave the way we do?: From the perspective of Neuroscience”** the speaker for the lecture is **“Mr. Suchith C M, Dept. of Biological Sciences, Tata Institute of Fundamental Research (TIFR), Mumbai and Alumini of MSRCASC**

The guest lecture is a part of alumni contribution and will be conducted on 11th of August 2023.

Time: 10:30 am to 1.00pm

Venue: Dr. Abdul Kalam Auditorium

Head of the Department

Vice Principal

Principal

DEPARTMENT OF MICROBIOLOGY in Association with IQAC & Alumni Association

organizes GUEST LECTURE on “Why do we behave the way we do?: From the perspective of Neuroscience”

Speaker:
Mr. Suchith C M
Ph.D. Student
Dept. of Biological Sciences, Tata
Institute of Fundamental Research
(TIFR), Mumbai,
Alumini MSRCASC

Objective:

The primary objective of a guest lecture is to share knowledge, expertise, or insights on a topic.

And to provide valuable information to the audience, enhancing their understanding of the topic.

Outcome:

The lecture will encourage critical thinking and analytical skills among students and motivate students to explore research in future and pursue related interests.

Date: 11th August 2023
Venue: Dr. Abdul Kalam
Auditorium
Time: 10:30am to 1:00 pm

Head of the Department
Dr. Praveena Srinivas R

Vice Principal
Dr. Pushpa H

Principal
Dr. Vatsala G

Coordinator: Mrs. Soumya S Shanbhag, Assistant Professor
Dept. of Microbiology, MSRCASC

DEPARTMENT OF MICROBIOLOGY

REPORT ON GUEST LECTURE/ ALUMNI CONTRIBUTION

Title: Guest Lecture/ Alumni Contribution

Topic: "Why do we behave the way we do?: From the perspective of Neuroscience"

Dates: 11th August 2023

Venue: Dr. A P J Abdul Kalam Auditorium

Participants: Undergraduate and Postgraduates Students of Biosciences

Resource Persons: Alumni of MSRCASC- Mr. Suchith C M

No. of Students: 250

Objective:

- The primary objective of a guest lecture is to share knowledge, expertise, or insights on a topic.
- This program aimed to provide current students with insights and experiences from a successful alumnus of the institution.
- To provide valuable information to the audience, enhancing their understanding of the topic.
- The talk was designed to inspire and motivate students by showcasing the achievements and journey of the speaker since their time at the institution.

The alumni speaker for the event was Mr. Suchith C M, an accomplished individual who graduated from department of life sciences, MSRCASC during the year 2016-19. He has since excelled in their field of Neuroscience, holding the position of Ph. D. student **Dept. of Biological Sciences, Tata Institute of Fundamental Research (TIFR), Mumbai**. The speaker's achievements and expertise added a sense of credibility and relevance to the talk.

The talk started at 11.00 am at Dr. A P J Abdul Kalam Auditorium, total of 250 students of Undergraduate and Postgraduate courses attended the program The alumni talk covered a range of topics, offering valuable insights to the audience. The speaker highlighted on few points which included his **Personal Journey** where he shared his personal journey, highlighting the

Valsali G

Principal,

M.S. Ramaiah College of Arts, Science & Commerce
MSRIT Post, MSR Nagar
Bangalore - 560 054

challenges they faced during their time as a student and the strategies he used to overcome them. This part of the talk resonated with the students, as they could relate to the difficulties and uncertainties faced during their own academic journey. **Transition to Professional Life:** The speaker discussed how he navigated the transition from being a student to entering the professional world. He emphasized the importance of networking, seeking mentorship, and continuously learning to adapt to the ever-changing landscape of their industry. He also spoke about career trajectory, showcasing the various roles and responsibilities he undertook to reach his current position. He discussed the significance of setting clear goals, taking calculated risks, and seizing opportunities that aligned with their aspirations. He highlighted key lessons he learned along the way, such as the value of perseverance, the significance of failure as a learning opportunity, and the importance of maintaining a strong work-life balance.

He spoke on the study of Human behavior from the perspective of Neuroscience taking different simple examples of animal behavior study. He highlighted the study of different animal behavior which was used to study and correlate with the human behavior. The session was very interesting and thought provoking.

Interactive Session: Following the talk, there was an interactive session where students had the opportunity to ask questions. This session encouraged a meaningful exchange of ideas, allowing students to seek advice, clarify doubts, and gain deeper insights into specific aspects of the speaker's journey and industry.

Outcome of the Program:

The alumni talk was a resounding success, leaving a positive impact on the attendees. Students expressed their appreciation for the speaker's candidness, practical advice, and motivating story. The event served as a reminder that success is attainable with dedication, continuous learning, and a proactive approach to career development. It also reinforced the strong bond between the institution and its alumni, showcasing the potential for students to achieve great heights after their time at the institution
