ABOUT THE EVENT

POSTER PRESENTATION

The Computer Science Department, coordinated by Mrs. Haripriya GS, organized a poster presentation event for the BCA first-year students of 2024 as part of the IT Club – "Techno Freaks," with the theme "Tech Explores: First Steps into BCA." Held on 4th September 2024, from 2:00 PM to 4:30 PM, the event took place in front of the Computer Science Department on the 5th level.

A total of 38 teams participated, showcasing topics such as Artificial Intelligence, Cyber Security, Networks, Programming Languages, and Operating Systems. The event was judged by Mrs. Geethanjali R, Assistant Professor, Department of MCA, MSRIT. All teams displayed their posters and provided brief explanations, based on which they were evaluated. The coordinators of the first-year students recorded attendance and assigned marks for the event.

ABOUT THE EVENT

Workshop on Cyber Security

The **Computer Science Department** organized a workshop on "**Cyber Security**" for the **BCA first-year students of 2024** on **20th August 2024** from **9:30 AM to 4:30 PM** in the **Computer Lab**. The resource person for the workshop was **Mr. Suhas M**, a **Cyber Security Trainer from Dubai**. The event was formally inaugurated by **Mr. Basavaraj CM**, **Head of the Department of Computer Science**. The workshop was divided into two sessions, morning and afternoon, with around **123 students** participating.

The event commenced with **Ms. Bhumika A**, **Assistant Professor, Department of Computer Science**, introducing the resource person. In the first session, Mr. Suhas highlighted the significance of **cyber security** and the protection of **personal data**. He emphasized the need for **data encryption** and discussed the potential risks and challenges faced when data is left unprotected. He then demonstrated the processes of **encryption and decryption** and provided sample exercises, which the students actively participated in, showing great interest in learning how to secure data.

ABOUT THE EVENT

Freshers Talent hunt-2024

The **Computer Science Department** organized a **Freshers Talent hunt** for the **BCA first-year students of 2024** on **24th September 2024** from **11:30 AM to 3:30 PM** in the **APJ Abdul Kalam Auditorium**. Talent and Skill Level Evaluation of proficiency in the respective field. Creativity and Originality: Assessment of unique approaches and innovation in performances. Stage Presence: Ability to engage the audience and convey emotions. Audience Engagement: Interaction with the crowd and ability to captivate attention. To identify and nurture talented individuals in [specific fields, e.g., music, dance, art]. To provide a platform for aspiring talents to showcase their skills. To build a network among participants and industry professionals.
