DEPARTMENT OF MICROBIOLOGY

Guest Lecture on: "Effect of Microbial Behaviors and Population".

This is to inform all I, II- & III-year BSc students of M. S. Ramaiah College of Arts, Science and Commerce-Autonomous that Department of Microbiology under DBT Star College Scheme is organizing a guest lecture on the topic "**Effect of Microbial Behaviors and Population**". by Prof. Upendra Nongthomba Professor, Developmental Biology and Genetics, Indian Institute of Science (IISc) Bengaluru on 7th June 2024.

Attendance is mandatory for the students.

Time: 02.30 pm to 03.30pm

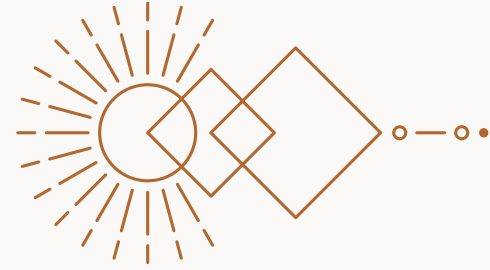

Venue: Abdul Kalam Auditorium

Department of Microbiology Organizes Guest Lecture on

“Effect of Microbial Behaviours and Population”

Guest Speaker:

Prof. Upendra Nongthomba

Professor,

Developmental Biology and Genetics,
Indian Institute of Science (IISc), Bengaluru.

Objectives:

- The Primary Objective of a Guest Lecture is to Share Knowledge, Expertise, or Insights on a Topic.
- To Provide Valuable Information to the Audience, Enhancing their Understanding of the Topic

Outcome:

- The lecture will encourage critical thinking and analytical skills among students
- Motivate students to explore research in future and pursue related interests.

Date: June 7th, 2024

Time: 02:30 PM to 3.30 PM

Venue: APJ Abdul Kalam, Auditorium

Guest Lecture Report

Date: June 7th, 2024

Time: 02:30 PM to 3:30 PM

Venue: APJ Abdul Kalam Auditorium, MSRCASC

Participants: B.SC II, IV & VI Sem Students.

No. of Participants: 120 Students.

Guest Speaker:

Prof. Upendra Nongthomba

Professor, Developmental Biology and Genetics,
Indian Institute of Science (IISc), Bengaluru.

Lecture Topic:

"Effect of Microbial Behaviours and Population"

Objectives:

- To share knowledge, expertise, or insights on microbial behaviours and population.
- To provide valuable information to the audience, enhancing their understanding of the topic.

Outcomes:

- The lecture encouraged critical thinking and analytical skills among students.
- Students were motivated to explore research in the field of microbiology and pursue related interests in the future.

Summary of the Lecture:

The guest lecture delivered by Prof. Upendra Nongthomba focused on the intricate behaviors of microbial populations and their impacts on various ecosystems. Prof. Nongthomba provided deep insights into microbial interactions and recent trends in science, especially microbiology. He further encouraged the students to achieve their dreams and expressed openness to collaboration with both students and faculty members. The session was highly motivational and interactive. It included a discussion on the latest research findings and methodologies in the study of microbiology, engaging students in thought-provoking questions and discussions.

Feedback:

The guest lecture received positive feedback from students and faculty members. Participants appreciated the opportunity to learn from an expert in the field and expressed interest in future lectures and workshops on similar topics.

Conclusion:

The guest lecture on "Effect of Microbial Behaviours and Population" was a resounding success, fulfilling its objectives and providing a platform for students to gain advanced knowledge and inspiration for future research endeavors
