Annual Report

Prof. Vijayalaxmi Ramesh
IQAC Coordinator, MSRCASC

Internal Quality Assurance Cell

Annual Report 23-24

“In essence, if we want to direct our lives, we must take control of our consistent actions. It’s not what we do occasionally that shapes our lives, but what we do consistently”. This is a quote by Tony Robbins, a coach, speaker, and philanthropist.

A warm welcome to our Honorable Chief Guest, Respected Members of the Management Committee, Esteemed Faculty, and my Dear Students

It gives me immense pleasure to present the Annual Report for our college on the auspicious occasion of College Day 2024. This report highlights the significant achievements and milestones of our institution over the past academic year.

Academic Achievements

Our college has once again demonstrated excellence in academics. This year, 120 students graduated with distinction, and 200 students achieved first-class honors in their respective fields. We are proud to mention that our students have secured top ranks in university exams, bringing laurels to the institution. We have secured 17 university ranks (2019-2022) across various disciplines including BSc, BBA, and MSc. 23-24 UG – 3ranks and PG – 16ranks

Student-Faculty Ratio and Faculty Appointments: The student-faculty ratio has improved through the appointment of new faculty members, enhancing the academic experience for our students.

Autonomous Status: With three decades of experience in imparting quality education, M.S. Ramaiah College of Arts, Science and Commerce celebrated the launch of its autonomous status on April 4, 2024. Conferred by UGC, Government of Karnataka and Bangalore City University from the academic year 2024-25, the status enables the institution to offer a wide array of courses and frame a globally competitive curriculum.

This marks a significant step towards enhancing the academic and administrative flexibility of the institution. The ongoing efforts to improve academic standards, industry linkages, and student support systems are pivotal in achieving this goal. The workshops and visits are crucial for faculty sensitization and preparedness for the transition to autonomous status.

Faculty Achievements

Our faculty members continue to be the backbone of our academic success. This year, 15 faculty members were awarded research grants, and more than 100 papers were published in Scopus/UGC/WOS and in reputed national and international journals. Additionally, several faculty members have presented their research at prestigious conferences, enhancing the academic reputation of our college.

Dr. Pushpa H (Vice-Principal) - Filed a patent.

Faculty members have also achieved significant recognition:

- Dr. Akshata G Athreya and Dr. Vemula Vani received awards for best poster presentations at national and state level seminars.

- Dr. Manikandan A secured multiple first prizes in oral and poster presentations at national and international conferences

- Dr. Pramod Prakash Desai (Biotechnology) Received the Best Oral Presentation award at an international conference held at Geetam University.

- Mr. Shankar Guddad (BCOM) served as a resource person for UGC NET coaching classes at The Knowledge Hub.

- Mrs. Dhanashri Vaishali (BCA) honored with the Shikshna Seva award by Kannada Kala Vedike.

These significant achievements of the faculty members across various departments, showcasing their

contributions in publishing, presentations, patents, and awards. These accomplishments reflect the institution's commitment to academic excellence and innovation in research and development.

Research and Development

Ongoing Research Projects

MSRCASC continues to foster a strong research environment through the support of innovative projects across various scientific disciplines. The approved projects for the 2024-2025 period demonstrate a commitment to addressing both fundamental and applied research questions, with potential societal and environmental impacts. These projects span various departments, including Chemistry, Biochemistry, Microbiology, Biotechnology, and Electronics, and are supported by the college's seed money grants initiative.

- The Department of Chemistry/Biochemistry and Microbiology is engaged in several research projects in collaboration with prestigious institutions like JNCASR Bangalore and IISC.

- Research focuses on advanced scientific areas, with faculty and students actively contributing to publications and presentations

Various students secured prizes for presentations and posters at national and international conferences. For instance, Sayantane Seal won the best poster at a national conference, and several others received awards for oral presentations.

Infrastructure Development

We have made significant strides in upgrading our infrastructure to provide a conducive learning environment. The new Science and Technology Building was inaugurated this year, equipped with state-of-the-art facilities to support our students' academic and extracurricular pursuits. We have also upgraded our digital infrastructure to support online learning and remote access to resources.

The library at M. S. Ramaiah College of Arts, Science, and Commerce has made significant advancements in its resources, facilities, and activities. With the addition of a large number of new books and the integration of advanced digital resources, the library is poised to offer a robust support system for both students and faculty. The future plans indicate a strong move towards digital transformation and better space management to cater to the different needs of undergraduate and postgraduate students. These efforts reflect a commitment to enhancing the educational experience and research capabilities within the institution.

Library Activities and Events: Library conducted various activities and events for this academic year such as:

Library Orientation: For I semester PG students on 21st & 22nd October 2023, led by Mr. Kiran Nandi.

Book Exhibition 2023: Held on 31st October 2023 with participation from 10 prominent book suppliers and publishers.

Product Presentation: Conducted on 3rd November 2023 featuring EBSCO, EMERALD, SAGE, ProQuest, and Luquillo for remote access.

Faculty Development Program (FDP) on SPSS: Held on 6th & 7th November 2023 by Mr. Mithun D.J.

N-List Membership Drive: From 9th to 16th November 2023, coordinated by Mr. Kiran Nandi.

FDP on "Significance of SCI Publications in Academic Success": Held on 25th November 2023 featuring Dr. Shivaram B. S. and Dr. Kannan P..

Internal Quality Assurance Cell (IQAC)

The Internal Quality Assurance Cell (IQAC) at our institution is committed to enhancing and ensuring the quality of education, administrative processes, and overall institutional performance. This report provides a detailed overview of the activities, initiatives, and achievements of the IQAC aimed at fostering a culture of continuous improvement and excellence.

Activities and Initiatives

1. Academic and Administrative Audits

- Conducted regular internal audits to assess the effectiveness of academic and administrative processes.

- Implemented corrective actions based on audit findings to enhance operational efficiency and academic quality.

2. Faculty Development Programs (FDPs)

- Organized FDPs to enhance the teaching skills, research capabilities, and professional development of faculty members.

- Recent FDPs included sessions on SPSS software for advanced data analysis and workshops on the significance of SCI publications in academic success .

3. Student Feedback Mechanism

- Established a robust feedback system to gather inputs from students regarding the quality of teaching, curriculum, and institutional facilities.

- Analyzed feedback data to identify areas for improvement and implemented necessary changes to enhance the student experience.

4. Quality Improvement Workshops

- Conducted workshops and seminars focused on quality assurance and enhancement in education.

- Topics covered included innovative teaching methods, effective curriculum design, and assessment techniques.

5. Accreditation and Ranking Preparations

- Prepared and submitted detailed reports and documentation for accreditation processes such as NAAC.

- Engaged in activities to improve institutional rankings by enhancing academic and infrastructural facilities.

Institution-Innovation Cell

The Institution Innovation Cell (IIC) at our institution has been established under the guidelines of AICTE and is integrated with the Ramaiah Evolute Center. Its primary goal is to provide guidance and support to students interested in pursuing entrepreneurship as a career. This report highlights the activities, achievements, and collaborations of the IIC, showcasing its contributions to fostering an entrepreneurial culture and innovation among students.

Activities and Workshops

The IIC has organized a variety of activities and workshops to promote innovation and entrepreneurship. Key events include:

Visit to Bangalore Innovation Centre (06-09-2023): This visit provided students with exposure to real-world innovation environments and practical insights into the innovation process.

Workshop on “Entrepreneurship and Innovation as Career Opportunity” (20-11-2023): Held at Vishveshwaraya Auditorium, this workshop featured Dr. Vakula Rani J as the resource person, offering valuable guidance on entrepreneurship and innovation.

Session on Problem Solving and Ideation Workshop (07-11-2023): Conducted by Mr. Prakash Nimbalkar at the MBA Department, this session focused on enhancing students' problem-solving skills and fostering creative thinking.

National Education Day (17-11-2023): Organized by the BBA Department, this event celebrated educational achievements and inspired students to pursue innovative careers.

Business Plan Competition (20-11-2023): This competition, held at the MBA Department, encouraged students to develop and present their business ideas, providing a platform for entrepreneurial expression.

Motivational Session by Successful Entrepreneur (20-11-2023): Naveen Kumar shared his entrepreneurial journey at Abdul Kalam Auditorium, motivating students to pursue their business ventures.

Student Activities and Achievements

This report highlights the significant activities and achievements of students in various domains, including sports, academics, and extracurricular activities. It showcases the diverse talents and dedication of our students, contributing to the overall excellence of our institution.

Sports Achievements

Students have excelled in various sports, bringing home numerous medals and accolades at intercollegiate, national, and international levels.

1. Open Nationals Tournament Medal Winners:

- Aryan Yadav (BBA) - Martial Arts (MMA)
- Ashith Jayanth Raj (B.Com 2nd Year) - Body Building
- Dhanush M (2nd Year B.Com) - Muaythai
- Nanditha Raj (3rd Year B.Com) - Kick Boxing
- Abhay Sudhir Bhat (3rd Year BBA) - Badminton
- Prajwal Gowda L C (2nd Year B.Com) - Badminton

2. University Inter Collegiate Medal Winners:

- Purvaank Ramesh (2nd Year BBA) - Swimming (9 Gold Medals)
- Lavanya A K (3rd Year B.Sc.) - Archery (Gold Medal)
- Simra Fayima Ali (2nd B.Sc) - Archery (Silver Medal)
- Varshitha (1st BCA) - Karate (Silver Medal)
- Amooly (1st B.Sc.) - Karate (Bronze Medal)
- Yuvika Sarani (2nd B.Sc.) - Swimming (2 Bronze Medals)
- Nanditha Raj (3rd Year B.Com) - Boxing (Gold Medal)
- Ammaar Ahmed Khan (2nd Year B.Com) - Boxing (Gold Medal)
- Pradeep S (3rd Year B.Sc) - Judo (Silver Medal)
- Falak (3rd Year BA) - Short Put (Bronze Medal).

3. All India Inter University Medalists/Participants:

- Nanditha Raj (3rd Year B.Com) - Kick Boxing, Khelo India
- Likith H V (3rd Year B.Sc.) - Badminton, South West Zone (Participation)
- Lavanya A K (3rd Year B.Sc.) - Archery
- Purvaank Ramesh (2nd Year BBA) - Swimming
- H G Santhosh (3rd Year B.Com) - Table Tennis.

Academic and Extracurricular Achievements

Students have also achieved remarkable success in academic and extracurricular competitions, winning prizes and recognition at various symposiums and conferences.

1. National Symposium in Innovation in Science:

- Amudha Srinivas, Anshua B (Poster Presentation, 2nd Prize).
- Pavithra N, Sangeetha R, Tejaswini S (CM Rally, 1st Prize).
- Akhilesh K, Hariharan N S, Kammari Sree Hari, Koushik S, M Yathish, Deepak M, M Rohini, Anusha R, Thrisha N (Various poster and model presentation awards).

2. Best Poster and Oral Presentation Awards:

- Sayantane Seal, Aneesh Marballi, Deepthi M, Sharon Susan Shaji, Laya Nagaraju, Trupti M, Mhalasa BR, Yashashwini N (National and International Conferences).
- Thasni T A, Savitha M R, Athika Banu, Shruti N, Medha Yadav, Angshumita Mahanta, Manasa H, Vidya R, Sandhya S (State Level Seminar, National Symposium).

3. College Events and Competitions:

- Participation in various departmental activities, panel discussions, expert talks, and management fests.
- Cultural Fest 'Xtasy-2023': Successfully organized for both UG and PG students, fostering creativity and talent.
- Theatre Club 'Ramaiah Rangabhoomi Academy': Promoted dramatics and performing arts among students.

The achievements of our students across sports, academics, and extracurricular activities highlight their dedication and excellence. These accomplishments not only bring pride to the institution but also set a benchmark for future students to aspire towards. The institution remains committed to providing a supportive environment that nurtures talent and fosters holistic development.

Placements and Internships

The placement cell has worked tirelessly to ensure that our students secure excellent career opportunities. This year, 90% of our eligible students received job offers from reputed companies, and many have secured internships with leading organizations. Our top recruiters include Infosys, TCS, and

Wipro, who have shown continued faith in our students' capabilities.

Placement Drives were conducted with various companies, focusing on training students in soft skills and entrepreneurial skills through the Entrepreneur Development Cell. The average Salary Package offered is of 3.6 LPA, with the highest offer being 9.65 LPA by INTELLIPAAT for a Management Trainee role.

Departmental Activities

Biotechnology, Microbiology, Chemistry, Computer Science, Humanities, Commerce, and MBA Departments conducted various workshops, guest lectures, industrial visits, and extension activities.

Science Departments

- Industrial Visit: PG Department of Commerce organized an industrial visit to Channapatna Craft Park on August 19, 2023.

- Visit to High Court: Department of Humanities organized a visit to the High Court of Karnataka on July 6, 2023.

1. Biotechnology

- Lecture by Dr. Alok Srivastav: "Opportunities and Challenges in Biotechnology" (10.01.2024)
- Hands-On Workshop: "Molecular Biology Techniques" (15-17.01.2024)
- Industrial Visit: Biocon Ltd. (25.01.2024)

2. Microbiology

- Guest Lecture: "Microbial Genomics" by Dr. Shalini Varma (22.01.2024)
- Intercollegiate Competition: Hosted the "Microbes in Action" quiz competition (05.02.2024)
- Outreach Activity: "Hygiene Awareness Campaign" in local schools (12.02.2024)

3. Chemistry/Biochemistry

- Seminar: "Advances in Analytical Chemistry" by Dr. Pradeep Kumar (18.01.2024)
- Workshop: "Spectroscopy and Chromatography Techniques" (20-23.01.2024)
- Extension Activity: "Water Quality Testing" for local communities (28.02.2024)

4. Computer Science

- Webinar: "Artificial Intelligence and Machine Learning" by Dr. Ramesh Babu (14.01.2024)
- Hackathon: "Code for Change" - a 24-hour coding event (05-06.02.2024)
- Industrial Visit: Infosys, Electronic City (21.02.2024)

5. Commerce

- Guest Lecture: "Contemporary Issues in Commerce and Trade" by Mr. Anil Kumar (19.01.2024)
- Workshop: "Financial Planning and Investment Strategies" (25.01.2024)
- Field Visit: Stock Exchange, Bengaluru (10.02.2024)

6. Electronics

- Guest Lecture: "Nanoelectronics and Its Applications" by Dr. Kavitha Rao (20.01.2024)
- Hands-On Training: "Circuit Design and Simulation" (28-30.01.2024)
- Project Exhibition: "Innovative Electronic Projects" (15.02.2024)

7. Mathematics

- Seminar: "Mathematical Modeling and Applications" by Dr. Rajesh Kumar (22.01.2024)
- Workshop: "Data Analysis Using Statistical Tools" (29-31.01.2024)
- Math Fest: "Mathletes 2024" - an intercollegiate competition (12.02.2024)

8. MBA

- Expert Talk: "Innovation and Development in Business" by Ms. Sumitha Prashanth (28.02.2024)

- Industrial Visits: Visits to various industries for practical exposure (Throughout January-February 2024)

- Management Fest: Hosted the "Synergy 2024" management fest with participation from multiple colleges (05.03.2024)

Management Studies (MBA)

9. Life Sciences

- Intercollegiate Competitions: Hosted various competitions including quizzes and presentations on environmental awareness (March 2024)

- Field Trips: Organized visits to national parks and research institutions for hands-on learning (Throughout March 2024)

10. Humanities

- Debate Competition on Relevance of Gandhi's Thoughts in Contemporary India

- Date: 30-10-2023

- Resource Persons: In-House Faculty Mr. Abhijith & Mr. Mayur

- Guest Lectures

- Dates: 16-11-2023, 27-11-2023, 29-11-2023

- Resource Persons: Dr. S Rama Gokula Krishnan, Dr. Sudhakar Karakoti, and Dr. Anisha Mahendrakar

- Intercollegiate Photography Competition cum Exhibition – Photophile 2023

- Dates: 15-12-2023 and 16-12-2023

- Judges: Arvind Karthik, Vikas Badiger, and Sharan GC.

11. Indian Languages

- Hindi Diwas**

- Date: 15-09-2023

- Kannada Rajyothsava**

- Date: 03-11-2023

- Activities: Dollu Kunita & Kamsale Kunita 【58:0†source】 【58:3†source】 .

12. Cultural Activities

- Inauguration of Student Council: Held on 03.02.2024 with various cultural performances.

- Women's Day Celebration: Conducted on 07.03.2024, including speeches, competitions, and cultural programs.

These departmental activities highlight the vibrant academic and extracurricular environment at M.S. Ramaiah College of Arts, Science, and Commerce, showcasing the commitment to providing holistic education and fostering innovation and research among students and faculty.

Events

The college organized various events and activities throughout the year, aimed at enhancing the academic and extracurricular engagement of students and faculty. Significant events include athletic meets, graduation days, and job fairs

Major Events and Celebrations

- International Yoga Day: June 21, 2023.

- Graduation Ceremonies: UG on July 27, 2023, and PG on September 1, 2023.

- Inaugurations:

- Vivekananda Study Center on July 14, 2023.

- Gandhi & Dr. B R Ambedkar Study Center on July 10, 2023.

- Ethnic Day: July 4, 2023.

- World Entrepreneurs Day Celebration: August 21, 2023.

Collaborations and MOUs

Industry Collaborations

- MoUs: Renewed with Biocon Academy and in process with several other industries for training and placement programs.

MoU signed with

*[Safepro Ai Video Research Labs Pvt Ltd - TechReady In campus Ai Lab](#)

*Infosys Springboard

*Royal Tech Head Academy

*Alphatech Academy

*Tiger Walks

Community Engagement and Social Responsibility

Our commitment to social responsibility remains strong. This year, our students and faculty participated

in various community service initiatives, including blood donation camps, environmental awareness drives, and educational outreach programs. These activities have not only benefitted the community but also instilled a sense of social responsibility in our students.

National Service Scheme (NSS) and NCC

National Service Scheme (NSS) Activities (2022-2023)

The National Service Scheme (NSS) unit of M.S. Ramaiah College of Arts, Science, and Commerce has been actively engaged in various social, educational, and community service activities throughout the academic year 2022-2023. These activities are aimed at fostering a sense of social responsibility, community engagement, and holistic development among students.

1. Special NSS Camp

- Location: Kaiwara, Chintamani
- Date: 25th February to 3rd March 2023
- Participants: 100 NSS volunteers
- Activities:
 - Conducted cleanliness drives in the village.
 - Organized health and hygiene awareness sessions.
 - Facilitated educational programs for school children.
 - Carried out tree plantation drives and environmental awareness campaigns.

2. Blood Donation Camps

- Date: Multiple camps held in the year (5th September 2022, 12th January 2023)
- Collaboration: With local hospitals and blood banks.
- Participants: Students, faculty, and local residents.
- Outcome: Over 300 units of blood collected and donated.

3. Health and Hygiene Awareness Programs

- Date: 15th October 2022, 7th March 2023
- Locations: Nearby villages and urban slums.
- Activities:
 - Workshops on personal hygiene and sanitation.
 - Distribution of hygiene kits.
 - Interactive sessions on the importance of cleanliness to prevent diseases.

4. Tree Plantation Drives

- Date: 10th June 2022, 20th September 2022
- Locations: GKVK campus and local community areas.
- Outcome: Over 500 saplings planted and maintained by NSS volunteers.

5. Swachh Bharat Abhiyan Initiatives

- Date: Throughout the year, with special emphasis during the NSS week (24th-30th September 2022)
- Activities:
 - Cleanliness drives in the college campus and surrounding areas.
 - Street plays and rallies to raise awareness about cleanliness.
 - Installation of dustbins and regular waste management initiatives.

6. Educational Outreach Programs

- Date: Ongoing throughout the year.
- Locations: Government schools in rural areas.
- Activities:
 - Teaching assistance in subjects like Science, Mathematics, and English.
 - Organizing science fairs and quiz competitions.
 - Distribution of educational materials to underprivileged students.

7. Women Empowerment Programs

- Date: 8th March 2023 (International Women's Day)
- Activities:

Workshops on self defense techniques.

- Seminars on women's health and legal rights.
- Skill development programs like tailoring, embroidery, and computer literacy.

8. Disaster Management Training

- Date: 18th January 2023
- Activities:
 - Training sessions on basic first aid and emergency response.
 - Mock drills for earthquake and fire safety.
 - Collaboration with local disaster management authorities for practical training.

9. Health Camps

- Date: 20th February 2023
- Location: College campus and local communities.
- Activities:
 - General health check-ups.
 - Eye and dental camps.
 - Distribution of free medicines and health supplements.

10. World Environment Day Celebration

- Date: 5th June 2022
- Activities:
 - Environmental awareness rallies.
 - Workshops on sustainable living practices.
 - Art competitions and exhibitions on environmental themes.

These activities reflect the dedication and hard work of our NSS volunteers who have consistently worked towards making a positive impact on society. The NSS unit of M.S. Ramaiah College of Arts, Science, and Commerce continues to inspire and engage students in community service, embodying the true spirit of the National Service Scheme.

NCC Activities Report

National Cadet Corps (NCC) Activities (2022-2023)

The National Cadet Corps (NCC) unit at M.S. Ramaiah College of Arts, Science, and Commerce has been actively involved in various training programs, community service activities, and national events throughout the academic year 2022-2023. These activities are designed to inculcate discipline, leadership, and a sense of duty among the cadets.

Dr Naveen Kumar R received Deputy Director General Commendation Certificate for his excellence service in NCC AIR FORCE wing on February 17, 2023.

1. Annual Training Camps

- Date: Various camps held throughout the year.
- Locations: Multiple locations including state-level and national-level camps.
- Participants: NCC cadets from different battalions.
- Activities:
 - Drill and parade training.
 - Physical fitness and obstacle course training.
 - Weapon training and firing practice.
 - First aid and disaster management training.

2. Republic Day Camp (RDC)

- Date: January 2023
- Location: New Delhi
- Participants: Selected cadets from the college.
- Activities:
 - Participation in the Republic Day Parade.
 - Cultural programs showcasing the diversity of India.
 - Interaction with dignitaries and leaders.

3. Independence Day Celebrations

- Date: 15th August 2022
- Location: College campus.
- Activities:
 - Flag hoisting ceremony.
 - March past by NCC cadets.
 - Patriotic songs and cultural performances.
 - Speech by the Principal and Chief Guest on the importance of independence.

4. National Integration Camp (NIC)

- Date: December 2022
- Location: Various locations across India.
- Participants: NCC cadets from different regions.
- Activities:
 - Workshops on national integration and unity.
 - Cultural exchange programs.
 - Adventure activities like trekking and camping.
 - Lectures and discussions on social issues.

5. Adventure Camps

- Date: Throughout the year.
- Activities:
 - Rock climbing and rappelling.
 - Trekking and hiking expeditions.
 - Water sports like kayaking and rafting.
 - Survival skills training.

6. Swachh Bharat Abhiyan

- Date: 2nd October 2022 (Gandhi Jayanti)
- Location: College campus and nearby areas.
- Activities:
 - Cleanliness drive in and around the college campus.
 - Awareness campaign on the importance of cleanliness.
 - Installation of dustbins and waste management initiatives.

7. Blood Donation Drives

- Date: Multiple drives held during the year.
- Participants: NCC cadets and volunteers.
- Outcome: Significant units of blood collected and donated to local blood banks and hospitals.

8. Tree Plantation Drives

- Date: 5th June 2022 (World Environment Day) and 15th September 2022.
- Locations: College campus and community areas.
- Activities:
 - Planting saplings and ensuring their maintenance.
 - Educating the community about the importance of afforestation.

9. Community Service

- Date: Throughout the year.
- Activities:
 - Visiting old age homes and orphanages.
 - Organizing health camps in rural areas.
 - Conducting educational programs for underprivileged children.

10. B and C Certificate Examinations

- Date: Conducted annually.
- Participants: NCC cadets eligible for certification.
- Activities:
 - Written exams on NCC subjects.

- Practical exams including drill, weapon handling, and physical fitness tests.
- Interviews to assess leadership qualities and overall performance.

These activities reflect the dedication and discipline of our NCC cadets who have actively participated in various training and community service initiatives, embodying the true spirit of the National Cadet Corps.

Environmental and CSR Activities

- Nature Club - "ECO EXPLORERS": Inaugurated, with activities spanning June 5-9, 2023.
- Field Visits for Environmental Studies: Scheduled throughout July and August 2023.
- Corporate Social Responsibility (CSR): School visits and activities in June and August 2023.

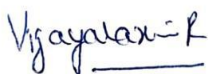

Alumni Contributions

Alumni contributions are a vital aspect of a college's sustainability and growth. Here's how alumni often contribute to their alma mater:

1. Financial Contributions: Alumni often donate money to their college or university. These donations can fund scholarships, research initiatives, infrastructure improvements, and other projects
2. Mentorship and Networking: our Alumnus frequently offer mentorship and networking opportunities to current students and recent graduates. They participate in career fairs, networking events, or alumni-student mentorship programs to provide guidance, advice, and professional connections.
3. Guest Lectures and Workshops: Alumni with expertise in particular fields return to campus to deliver guest lectures, workshops, or seminars. These events enrich the academic experience for current students and provide valuable insights from alumni who have achieved success in their careers.
4. Volunteerism: Our Alumni frequently volunteer their time and expertise to support various college initiatives. This could involve serving on advisory boards, participating in alumni association activities, volunteering at campus events, or assisting with fundraising campaigns.

Conclusion

In conclusion, the achievements of this year are a testament to the hard work and dedication of our students, faculty, and staff. I extend my heartfelt gratitude to the management committee, alumni, parents, and all stakeholders for their unwavering support. Together, we will continue to strive for excellence and make our college a beacon of knowledge and innovation.
