Placement Awareness Program for First Year MBA Students

11th March, 2024

Sir M Visvesvaraya Seminar Hall

Objective: The primary objective of the Pre-Placement Training conducted on 11th March 2024 was to prepare first year MBA students to effectively navigate the placement process. This included understanding placement policies, application processes for Multi-National Companies (MNCs), and interview procedures. The training aimed to equip students with the necessary knowledge and strategies to enhance their employability and secure suitable job opportunities.

Overview of Activities:

1. **Placement Policies:** A detailed session on the placement policies was conducted, emphasizing eligibility criteria, placement support procedures, and guidelines for off-campus drives.
2. **Application Process:** Students were familiarized with the application process for MNCs, including filling out forms, understanding deadlines, and preparing required documents.
3. **Interview Preparation:** The training covered the various stages of interviews such as aptitude tests, group discussions, and personal interviews. It also provided insights into effective communication, problem-solving, and presentation skills.
4. **Professional Etiquette:** Guidance on formal dress code, grooming, and maintaining professional behavior during interviews.

Outcome:

- Enhanced the students' understanding of placement policies and the application process for MNCs.
- Equipped students with the skills and knowledge to handle interview scenarios confidently.

- Improved their awareness of professional etiquette and the importance of presentation.
- Prepared students to meet corporate expectations, increasing their chances of securing placements.

Conclusion: The Pre-Placement Training session was instrumental in providing final-year students with a clear roadmap for their placement journey. By addressing critical aspects of the placement process and offering practical insights, the training ensured that students are well-prepared to face recruitment challenges. This initiative reflects the institution's commitment to student success and career readiness. The feedback received from participants was overwhelmingly positive, indicating the effectiveness of the program
