Ramaiah College of Arts, Science, and Commerce was founded in 1994 by our founder, the late Dr M. S. Ramaiah, and offers both undergraduate and graduate degrees in Arts, Science, Commerce, and Management from Bengaluru City University. The college is authorised by AICTE in New Delhi and recognised by the Karnataka government. The college is also recognised by UGC under Sections 2(f) and 12(B) of the UGC Act of 1956 and has been reaccredited with an "A" grade by NAAC. Our college is a one-of-a-kind educational institution that has been a pioneer in providing academic excellence. Constantly, we strive to employ innovative teaching methods that will assist and develop our students into future professionals.

Department of commerce organizes such events to enhance the knowledge of commerce fraternity in and around the subject matter and elicit things out of the subjects that can be taught to them for classes.

Objective of the event: CSR in Education has mostly involved steps to promote education, scholarships, values, humanity and increasing access to education and higher education.

The program began with Invocation song sung by one of the students from BCOM first year, the session was also addressed by the Manager Shri Harish-Sai Shankara Vidyashala School.

From the outset students were first instructed on the tiny campus tour which covered bio gas plant, shiva mandir, TREP building, farming land etc.

The manager of the school was also shown keen interest on providing insights on history of the school, guided students on value education and morality among youth and which we must inculcate in social life.

CSR show plan was very clear and our volunteers made 6 teams of School students who are studying in 8th standard, each team given with the task of assigning team name, team leader and strategies to be framed and implemented during the tasks

EVENT-1-QUIZ

The Ramaiah volunteers began the CSR show with Quiz competition which resulted in extraction of their knowledge, accuracy, common sense in routine life and current affairs etc. each team given 8 sets of questions and to be answered in the duration of 10 minutes.

EVENT-2-SCVANGER HUNT

This event was planned for school students to make them think out of the box, reaching out to places, solving puzzle, boosted creativity, bit of sense of humour etc.

This event was designed in such a way that students were able to win TREASURE which is helpful for them in their academics.

EVENT-3-TALENT SHOW

The Ramaiah volunteers and school students have organized Talent Hunt Show to elucidate the skills of singing, dancing, dialogue delivery, mono acting etc.

The school students were also trained on DOs and DONTs of academics, routine life, upgrading to present times and career planning.

The Ramaiah volunteers also gave their feedback on school life stating my school is more than simply an educational institution; it is also my second family, which I established during my childhood. A family of wonderful friends, outstanding teachers, and fond school memories. I adore my school because it is where I learn how to be a good citizen and how to reach my goals. A school is an educational institution designed to provide learning spaces and learning environments for the teaching of students under the direction of teachers.
