## Certificate of Internship

This is to certify that **Ms. Talari Niharika**, BSc. Microbiology/Biotechnology, student of M. S. Ramaiah College of Arts, Science and Commerce, Bangalore, has undergone internship programme at our centre successfully. As the part of the Training from 15<sup>th</sup> April 2024 to 16<sup>th</sup> May 2024.

**Ms. Talari Niharika**, has undergone training at our Research and Development center. During this period she learnt the following area. Under the Guidance and supervision of **Dr. Srinivasa G R** Head of Honeychem Pharma Analytical Service Pvt Ltd.

1. Handling and daily calibration of Analytical balance.
2. Handling and daily calibration of pH meter.
3. Preparation different type of buffer & Sample preparation for HPLC
4. Theoretical knowledge about HPLC columns
5. Handling and Calibration HPLC Operation
6. Estimation of residue on ignition & Sulphated ash using muffle Furnace
7. Estimation of loss on drying by using Hot air oven.
8. Theoretical knowledge about Karl fisher titrator
9. Theoretical knowledge about Mass spectrometry
10. Theoretical knowledge about Nuclear magnetic spectrometer
11. Handling of Melting point apparatus
12. Knowledge about Quality Management system, and Quality assurance aspects.
13. Knowledge about SOPs and STPs

During the training programme, **Ms. Talari Niharika**, was punctual, positive and performance oriented and completed all the activities/tasks assigned to her successfully. Her character and conduct found to be very good during internship at our centre.

We wish all success in her career.

## Certificate of Internship

This is to certify that *Ms. Bindu Vaishnavi M*, BSc. Microbiology/Biochemistry, student of M. S. Ramaiah College of Arts, Science and Commerce, Bangalore, has undergone internship programme at our centre successfully. As the part of the Training from 01<sup>st</sup> April 2024 to 30<sup>th</sup> April 2024.

*Ms. Bindu Vaishnavi M*, has undergone training at our Research and Development center. During this period she learnt the following area, Under the Guidance and supervision of *Dr. Srinivasa G R*. Head of Honeychem Pharma Analytical Service Pvt Ltd.

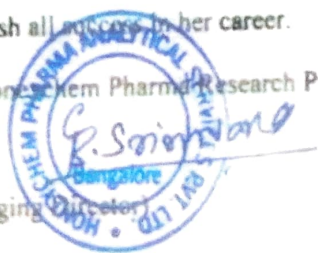

1. Knowledge about SOPs and STPs
2. Handling of Analytical balance and daily calibration.
3. Handling of pH meter and daily calibration using different pH Buffer solutions.
4. Preparation different type of buffer & Sample preparation for HPLC
5. Theoretical knowledge about HPLC columns
6. Handling of Operation & Calibration HPLC
7. Handling of muffle Furnace for estimation of residue on ignition & Sulphated ash
8. Handling of Hot air oven for estimation of loss on drying.
9. Theoretical knowledge about Karl fisher titrator
10. Theoretical knowledge about Mass spectrometry
11. Theoretical knowledge about Nuclear magnetic spectrometer
12. Handling of Melting point apparatus
13. Knowledge about Quality Management system, and Quality assurance aspects.

During the training programme, *Ms. Bindu Vaishnavi M*, was punctual, positive and performance oriented and completed all the activities/tasks assigned to her successfully. Her character and conduct found to be very good during internship at our centre.

We wish all success in her career.

INT/BI/2024/SC173

This is to certify that **Sneha Varadaraj** successfully completed her academic internship of 45 days with Eduscient Private Limited from **11 Apr 2024 to 26 May 2024**. As a part of the Training and Internship program, the candidate was required to undertake a project showcasing the aspects of the chosen training program and as a criteria towards finishing the internship.

So hereby with this letter, we acknowledge that the student has done the project on the topic of "**Prediction of Protein Stability Changes upon Mutation**" as a part of the Internship on "**Bioinformatics & NGS**" and the project has exhibited the student's ability and skill in adapting the training structure into its practical nature and focusing on the core elements of the training. The Project was satisfactory and had catered to all the key briefs handed to the student as an outline for the project.

The candidate during internship with us has shown diligence and perseverance adhering to the internship protocols set by the company and made sure that the given tasks were handled and performed with great outcome. During her tenure, we found her active and competent in executing all assigned tasks and services were found to be satisfactory.

We wish her great success in all of her future endeavors.
