EVENT REPORT

Objective of the program:

To prepare M. Sc Chemistry & Biochemistry students for an industry ready candidate they need to get exposed to an ecosystem in pharma industry.

This program is with an objective of giving theoretical and practical knowledge in the field of quality control and analytical domain to prepare them to suit to the industry requirement.

Status of MoU between MSRCASC and Biocon Academy:

MSRCASC with a perspective to start a new certificate program on Quality Control Analytical (QCA) aspects in BioPharma Industry, was selected as 'education partner' with Biocon Academy with a 1-year probationary MoU on 19th February, 2019. Recent renewal has been signed extending the covenant for next three years until 2026.

Program Schedule & Outcomes:

This certificate program aims at providing specific job skills with emphasis on instrumentation and regulatory background to help the students to find appropriate employment in quality sector of pharmaceutical industries. Program includes rigorous training for 8 weeks with theoretical sessions in the morning and functional visits at Biocon and Syngene in the afternoon sessions.
