## DEPARTMENT OF SCIENCES

### REPORT ON

## NATIONAL SCIENCE DAY 2025

**Title: National Science Day**

**Date: 28<sup>th</sup> February 2025**

**Venue: Dr. APJ Abdul Kalam Auditorium**

**Participants: II semester science students**

**No. of Participants: 244**

### Objectives:

- Recognize the contributions of scientists, particularly Indian scientists like **C.V. Raman**, whose discovery of the **Raman Effect** is celebrated on this day.
- Increase awareness about the significance of science in everyday life and its impact on society.
- Inspire students to develop innovative ideas, conduct research, and explore new scientific frontiers.
- Highlight the connection between science, technology, engineering, and other fields.

National Science Day is celebrated on **February 28<sup>th</sup>** every year in India to commemorate the discovery of the **Raman Effect** by **Sir C.V. Raman** in 1928. The day aims to promote scientific awareness, encourage innovation, and recognize the contributions of scientists to society. This report highlights the activities and outcomes of the National Science Day celebration held at MSRCASC, autonomous,

Bengaluru. Department of Sciences, MSRCASC organized a National Science Day on 28<sup>th</sup> February 2025. This exciting event was organised for bridging the

gap between theoretical knowledge and practical application to help shape the students better. The theme of the event was "Science Shaping Tomorrow."

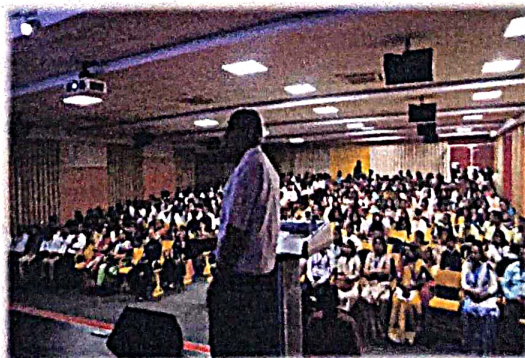

The celebration of national science day was divided into 3 parts-

- a) An activity conducted for school children in the form of different competitions on 11<sup>th</sup> February 2025.
- b) Competitions conducted for students of MS Ramaiah College of Arts, Science and Commerce on 27<sup>th</sup> February 2025.
- c) The celebration of National Science Day on 28<sup>th</sup> February 2025.

To spread awareness about the importance of science and climate change & to make youth understand their responsibility towards this, the talk was organized by the eminent scientist. The chief guest for the program was Prof. Jayaraman Srinivasan, former chairman, Divecha Center for Climate change and Honorary Professor, centre for Atmospheric and Oceanic Sciences, Indian Institute of Science, Bengaluru on the topic- "The Science of Climate change" in APJ Abdul Kalam auditorium, MSRCASC from 9:30 am to 12:30 pm.

The program commenced with the arrival of guests, followed by the Ramaiah anthem and melodious invocation. Then, the lighting of the lamp was done successfully by our esteemed guest, respected principal and vice principal. Our respected principal, DR. Pushpa H addressed the audience by a welcome speech and gave a brief

about today's event. Our chief guest, DR. Jayaraman Srinivasan was introduced by Dr. Vasanth Kumar Bhaskara. Dr. Jayaraman Srinivasan addressed the audience with his invaluable insights about exciting developments in climate change and how Earth's climate depends

on many factors. He suggested many books including "Beyond Global Warming" by Syukuro Manabe and Anthony J and "Snowball Earth" by Gabrielle Walker to understand more about the science of climate change. He ended his session with his spectacular vision and interaction with the audience.

Sooner, Mrs Soumya S Shanbhag was invited on the stage for the awaited price distribution. Students from different schools won due to their immense talent which was showcased on 11th February, 2025. Students from our college showed their talent and creativity for the events that took place on 27th February, 2025 and won proudly.

The session concluded with a vote of thanks by our respected Vice principal, Prof. B S Jayarama and a token of respect to our esteemed chief guest. After the National Anthem and group photo with all the winner and faculty members, the session was successfully completed by immense joy and talent. Our students showcased their talents and won prizes, making us proud!

### **Outcomes and Impact**

- Increased enthusiasm and participation among students in scientific activities.
- Enhanced awareness about recent scientific developments and research.
- Improved teamwork, communication, and problem-solving skills.
- Encouraged students to explore science-based career opportunities.
- Strengthened the collaboration between academia and industry experts.

**Conclusion** The National Science Day celebration was a resounding success, fostering a culture of scientific inquiry and innovation among students. The event not only honoured past achievements but also ignited curiosity and motivation for future explorations in science and technology. It reinforced the significance of scientific progress in shaping a better world.
