## Report on Outreach Activity

**Date of Visit:** 14<sup>th</sup> June 2025

**Location:** Saraswathi Educational Trust

---

### Introduction:

As part of our social outreach initiative, the Department of Master of Computer Applications (MCA) organized a heartfelt visit to *Saraswathi Educational Trust*, an orphanage dedicated to the care and development of underprivileged children. The objective of this visit was to extend a helping hand, create meaningful connections with the children, and contribute positively to their emotional and educational growth.

---

### Activities Conducted:

**1. Donation Drive:**

The MCA students collectively contributed and donated **essential stationery items**, including notebooks, pens, pencils, erasers and other educational tools to support the children's learning.

**2. Interactive Session with the Children:**

Our team engaged in **fun-filled interactions and activities** with the children, including storytelling, drawing sessions, and educational games. This helped build a sense of joy and encouragement among the kids.

**3. Awareness on Personal Safety:**

A brief but **important session** was conducted to **educate children about "Good Touch and Bad Touch"**, helping them understand personal boundaries and safety in an age-appropriate and sensitive manner. Visual aids and simple language were used to ensure every child could grasp the message.

---

### Impact and Reflection:

The visit created a memorable experience not just for the children but also for our MCA students. It offered a chance to develop empathy, social responsibility, and a sense of contribution towards community welfare. The children were highly receptive and joyful, and their smiles were the biggest reward for our small effort.

---

### Conclusion:

The visit to Saraswathi Educational Trust served as a powerful reminder that even small acts of kindness can make a significant difference. The MCA Department looks forward to continuing such initiatives in the future and spreading awareness, compassion, and hope.
