

## M S RAMAIAH COLLEGE OF ARTS, SCIENCE AND COMMERCE

### Department of Commerce - BCOM

Newsletter April to June 2025

### INTERCOLLEGIATE FEST – PHOENIX 2025

The Department of Commerce successfully hosted ***Phoenix 2025*** on 14<sup>th</sup> May 2025, an intercollegiate fest that turned out to be a vibrant and intellectually stimulating event. Drawing enthusiastic participation from students across various colleges in Bengaluru, the fest served as a grand celebration of business insight, innovation, cultural diversity, and creative expression. It provided a dynamic platform for young minds to engage in healthy competition, showcase their talents, and gain valuable experiences beyond the traditional academic environment.

## INDUSTRIAL VISIT

The Department of Commerce organized an industrial visit to the Karnataka Milk Federation (KMF) in Tumkur on 11th April 2025 for the VI Semester B.Com students. The primary objective of the visit was to offer students practical insights into dairy processing, cooperative business models, and cultural perspectives. This enriching experience combined elements of learning, spirituality, and adventure, providing students with a valuable opportunity to connect their academic knowledge with real-world industry practices.

## VALUE ADDED PROGRAMS

### "Equity Analyst – VAP on Stock Market"

The Department of Commerce successfully conducted a 30-hour Value-Added Program titled "**Equity Analyst – VAP on Stock Market**", designed to provide students with a comprehensive understanding of the dynamic world of stock trading and investment strategies. This practical and interactive program not only demystified the bluff and volatility of the stock market but also empowered students to analyze trends, assess risks, and make informed investment decisions—preparing them to become smart, analytical, and confident future investors.

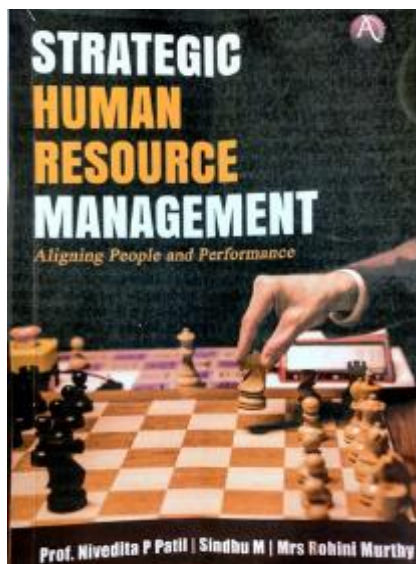

### VAP on Data Analysis using Advanced Excel, Power BI & Tableau

The Department of Commerce conducted a Value Added Program on “Data Analysis using Advanced Excel, Power BI & Tableau” for B.Com students to enhance their analytical and data visualization skills. The program provided hands-on training in Excel functions, financial modeling, interactive dashboards in Power BI, and visual storytelling through Tableau. It equipped students with practical tools for data-driven decision-making and prepared them for careers in finance, analytics, and business intelligence.

### FACULTY ACHIEVEMENTS

Sindhu Moothedath has been honoured with the **Best Women Empowerment Award** by the National University & ESN Publication for her outstanding efforts in uplifting women and developing their skills., She has received **Best Research Paper Award** for “Beyond the Score: Analysing Credit Scoring Models Housing Loan Approvals in the Indian Scenario,” .She also received the prestigious “**Best Resource Person**” Award from K.
